Meet some of our Australia, Indonesia and Pacific Discovery Team experts

Dr Brent Alloway

Naturalist, Geologist, Glaciologist
Lecturer and Zodiac Driver

An experienced earth scientist and professor, Brent has conducted research-based fieldwork in regions from Alaska to Antarctica,

and others in between. He is interested in landscape histories, volcanism, paleo environmental change and human origins.

His diverse interests are reflected in the authorship and publication of several international articles, including in the prestigious *Nature*. Responsible for overseeing the monitoring and surveillance of New Zealand's volcanoes as the country's Chief Volcanologist (1998-2003), he received the McKay Hammer Award for his contribution to NZ geology. Retired from teaching, Brent is still connected with earth science research and enjoys the opportunities to share his knowledge during expedition cruises.

Ross Howatson

Naturalist

A sailor at heart, Ross has accumulated thousands of blue-water miles in smaller sail boats across the Pacific Ocean and in expedition vessels in

the polar regions. His connection with the ocean goes way back, as some of his very first travelling experiences were through the remote islands of Oceania.

This New Zealander carries a personal fascination with the Polynesian mariners and migration, along with a broad range of naturalist's knowledge from years of working in the field, which ignites his focus and dedication to the opportunities awaiting guests in the most pristine and wild destinations on our planet - "I'm truly grateful to be able to lead adventurous travellers into awe-inspiring environments".

Adriaan Olivier

Naturalist & Paddleboard Guide

Adriaan has in depth experience sailing the Kimberley region and exploring the diverse wildlife it has to offer. From the seas to the sky, he is fascinated by the encounters with dolphins, birds and everything in between. For him, being surrounded by some of the oldest rocks on earth in a region that is, until this day, being taken care of by its native people presents you with a unique feeling. Their way of life is inspirational and humbling, which makes being able to briefly be a part of this alien world something truly special.

° POLYNESIA & THE PACIFIC ISLANDS

Dubbed heaven on Earth by many, Polynesia and the Pacific spans a quarter of the globe and encompasses around 40,000 islands. Let Scenic Eclipse take you to these isolated communities and be guided by our expert Discovery Team as you immerse in the diverse traditions and terrains of this intriguing region.

Each island is culturally unique, with a diverse natural beauty. The volcanic landscape of Tonga's Hunga Island, the Isle of Pines' signature pine trees that line the white beaches, and Fiji's crescent-shaped Fulanga Island that hides within it a crystalline lagoon are just some of the incredible sights that you will witness on board your ultra-luxury Scenic Eclipse voyage.

Endemic Wildlife & Birdlife

The Pacific is home to the world's largest and most diverse population of seabirds, such as the fairy tern, masked red-footed and brown boobies. While the islands of Robinson Crusoe and Alexander Selkirk lie in a biosphere reserve, the archipelago is rich in tropical fish, whales, dugongs and turtles.

Experience Diverse Cultures

Each of the Pacific islands has a distinct cultural heritage, with some influenced by colonisation and others whose traditional customs remain resilient. Gain a deeper appreciation of the local beliefs on your guided excursions and on board lectures in our state-of-the-art theatre.

Historical Significance

Among the Pacific region's many intriguing historical sites are Easter Island's 900 giant stone carvings ('moais'), rock paintings, petroglyphs and stone Orongo houses. Tonga is home to megalithic stone structures and tombs, while the Solomons has several sunken warships and aircraft to explore.

Pristine Environments

Beyond the beaches, Polynesia and the Pacific have incredibly varied landscapes. Tahiti is blessed with mountains, rainforests and rivers; the Solomon Islands and volcanic Vanuatu are covered in forests and vast plains; and Tonga has a coastline of limestone cliffs and an underwater volcano.

This isolated region is an undeniable natural beauty, home to a pristine marine environment and striking volcanic landscapes.

Discover the enigma of Easter Island, the real Robinson Crusoe Island and the legendary Pitcairn, an enduring haven of mutineers' descendants. Be immersed in a burst of colours in French Polynesia with its blue lagoons, pink sands, lingering sunsets, exotic flowers and a rainbow collection of rare and precious birds.

Easter Island

Scenic Eclipse's innovative design means it is one of a few ships capable of stopping at Easter Island. Enjoy a unique overnight stay in this incredibly remote Chilean territory, 2,300 kilometres from South America.

Easter Island (Hanga Roa) is defined by its gigantic 'moai' statues, carved from volcanic stone by its indigenous Rapa Nui people between 1400 and 1650. Hundreds of these mysterious figures loom over the hilly terrain, along with rock paintings, petroglyphs and ceremonial villages. Learn about the origins and significance of this eerie destination, which was cut off from the outside world for centuries.

Robinson Crusoe Island

Explore the native flora, fauna and fables of the stunning Robinson Crusoe Island with Scenic Eclipse's naturalists, ornithologists, marine biologists and historians.

Discover why this mountainous isle was named after Daniel Defoe's famous novel, which was inspired by the true story of Scottish sailor Alexander Selkirk, who spent four years marooned here (1704-1709). Part of the Juan Fernández Archipelago UNESCO Biosphere Reserve, it boasts abundant marine life, such as the friendly South America fur seals, and remarkable plant biodiversity.

Alexander Selkirk Island

Renamed in honour of the castaway, this nearby smaller island was previously known as Isla Más Afuera. Recognised as an important bird habitat, it supports populations of Stejneger's and Juan Fernandez petrels and the rare Masafuera rayadito.

With a jagged coastline of steep cliffs, often cloaked in mist, the island also served as a penal colony in the early 1900s. Today, fewer than 60 people live here.

Pitcairn Island

This British overseas territory was the notorious haven of mutineers from Captain Bligh's HMS Bounty. Astonishingly, all of the 50 residents are direct descendants of those first Europeans who settled on the tiny island in 1790.

Aside from its scandalous history, Pitcairn is an untouched oasis of pristine waters and beautiful flora, bird and marine life. With only 5 square kilometres, this half-crater lies at the heart of the world's largest protected expanse of sea. The Pitcairn Islands Marine Reserve is home to a complex community of hard and soft corals and a wide array of sharks and fish, including species not found anywhere else on Earth.

French Polynesia

The fusion of French and Polynesian culture in this palm-fringed paradise is intoxicating. Traditional rituals of fire-walking, dancing, singing, and legends of gods and warriors are celebrated with great passion by the welcoming locals.

Tahiti's two extinct volcanoes, covered in lush greenery, overlook crystal-clear water that invites instant relaxation.

Swim, snorkel or submerge in our custom-built submarine^ or soar above the archipelago in one of two onboard helicopters^. Enjoy the pink-sand beaches and protected coral reefs of Fakarava, a UNESCO Biosphere Reserve in the Tuamotu Atolls. The Gambier Islands, comprising of four isles within a single turquoise lagoon, are supported by pearl farms and fishing. A truly unforgettable place to indulge in fresh seafood and shop for exquisite Tahitian black pearls to remember your discovery forever.

The Pacific Islands including New Zealand

Discover the extraordinary wonders of the South Pacific on board Scenic Eclipse. With up to 228 guests, this intimate and exceptional experience in 6-star ultra-luxury will take you to remote villages and well-known ports in this precious region, connecting you with the sea, landscapes and local communities.

Sailing closer to the shore on board Scenic Eclipse, you will marvel at whales and other wildlife. If conditions permit, swim with humpbacks in Tonga and step back to convict times in Norfolk Island, a paradise with a colourful history spanning more than 600 years.

Tonga

The Vava'u archipelago is the most renowned place in the world for swimming with whales. Forming a natural nursery for migrating humpbacks, the islands welcome back calves who return to the waters where they were conceived the year before. Beyond this unforgettable encounter, Tonga is magnificent year-round for snorkelling, kayaking and discovering its fascinating family and cultural traditions.

Fiji

The far reaches of the Pacific reveals the islands of your dreams, the Yasawas. As the idyllic setting for the Tom Hanks film, 'Castaway', these deserted white-sand beaches and turquoise waters are just as stunning in real life. Explore the underwater world, swim with manta rays, hike volcanic peaks and meet the friendly locals.

Even more remote are the Lau Islands, with limestone caves, untouched coral reefs and hundreds of fish species. Fiji is an excellent choice to dive beneath the surface on board Scenic Eclipse's submarine^ or view from above on a helicopter^ flight.

New Caledonia

Nicknamed l'île la plus proche du paradis ("the closest island to Paradise"), Isle of Pines (L'Île-des-Pins) was settled by Melanesian people about 2,000 years ago, but seized by France in the 1850s becoming a penal colony.

Today, the indigenous Kanak population strives to preserve its cultural authenticity and spiritual side, while seeking greater autonomy. See them fishing on hand-built dugout canoes with sails, living in huts, and cooking food wrapped in coconut leaves over hot rocks. Nearby, Lifou is another sublime snorkelling spot, with picturesque walks and caves to explore. The reefs are teeming with marine life, especially sea turtles.

Vanuatu

The vivid culture of Vanuatu is awe-inspiring, from the customs of fire-dancing and land-diving to drinking kava. Home to the world's most accessible active volcano, where hikers climb the smoking rim of Mount Yasur, the island has an adventurous spirit.

In Tanna's famous Blue Cave, visitors swim along a sea passage to reach a rock cathedral where sunlight beams through, illuminating an electric blue swimming hole. Fringed by reefs and black-sand beaches, Vanuatu will excite your senses.

Great Barrier Island (New Zealand)

Famous for its breathtaking landscapes of lofty mountain peaks and glaciers, New Zealand's best-kept secret is Great Barrier Island (known as Aotea to the indigenous Maori people).

As an official Dark Sky Sanctuary, the stargazing is certified spectacular. On a cloudless night, sit out on the deck and marvel at millions of dazzling stars, including the Milky Way, glittering overhead. During the day, join the Scenic Discovery Team to enjoy hiking, hot springs and views of Hirakimata (Mount Hobson).

With special permission to visit this isolated region, we have the opportunity to meet the Elders of the Yolngu people and discover more about their connection to 'country'.

Uncover the real Australia in Arnhem Land, roughly the same size as Iceland. Spanning almost 100,000 square kilometres and bound by the Arafura Sea, this unspoiled corner is defined by its red rock, white sand, turquoise water, gorges and rivers. Discover deserted beaches and rockpools, hike through woodlands and caves, and find ancient bark paintings and 'x-ray art' of animals and human figures.

Reach the northernmost wilderness, Cape York, known as 'The Tip' of Australia. Explore wetlands, observing vibrant birdlife, waterfalls, rock art, and possibly a crocodile.

Visit Thursday Island, known as Waibene by the Kaurareg Aboriginal people. Spectacular on any day of the week, this small island in the Torres Strait is just south of Papua New Guinea. Learn the different culture and artistic expression of Torres Strait Islanders at the Gab Titui Cultural Centre. Visit two UNESCO World Heritage sites: Fraser Island (K'gari), the largest sand island in the world, and the Great Barrier Reef, the most extensive living structure on Earth.

Our expert Discovery Leaders will reveal the true glory of the iconic reef's complex ecosystem. Comprising of 3,000 coral reefs, 600 islands, 300 coral cays and 2,000 species of fish, whales and dolphins, it's an astonishing place that should be explored with the region's top specialists and marine biologists.

Discover the Whitsundays, a jaw-dropping archipelago of 74 islands. Spend a decadent afternoon on Whitehaven, which is sure to become your new favourite beach. Lounge around on Lizard Island's pure white sands, where giant clam gardens are within snorkelling distance of the shore. °INDONESIAN ARCHIPELAGO, THE SOLOMON ISLANDS & WEST PAPUA

Lying between the Pacific and Indian oceans, Indonesia is the world's largest archipelago comprising more than 17,000 islands. With many of its people from Melanesian, Islamic, Portuguese and Dutch descent, the region is a melting pot of culture.

Located in the 'Coral Triangle', the islands of Raja Ampat are extraordinary: mountainous atolls blanketed with rainforests and thick jungle or active volcanoes, fringed by beaches with crystal-clear water and coral cays boasting dynamic ecosystems. Enjoy this pure paradise as you embark on a luxurious discovery voyage on board Scenic Eclipse, The World's First Discovery Yachts™.

First-Class Diving

Imagine the diving opportunities of thousands of tropical islands stretching more than 5,000 km. Raja Ampat is a particular unmissable location; dubbed the Coral Triangle, the crystal-clear water is abundant with colourful reefs and thriving marine life.

Experience Diverse Cultures

Gain a greater understanding of this culturally rich region. Due to its central location along ancient trading routes, the diversity of this archipelago is incredible. At least 300 Indonesian ethnic groups have their own distinct customs, religion and language.

See a Traditional Way of Life

The lifestyle on these remote and beautiful islands is largely untouched. There are still hundreds of tribes living in West Papua, the Solomons and Vanuatu, while you may also spot locals fishing in traditional boats or houses built over the water on stilts throughout Indonesia.

Visit the Centre of an Ancient Spice Route

Sail on the custom-built Scenic Eclipse along a historic waterway. Once home to the world's only source of nutmeg and other coveted spices, the Maluka Islands (formerly Spice Islands) became an important centre for the spice trade in the 16th century, drawing in traders from all over the globe.

Indonesian Archipelago, West Papua, the Solomon Islands & Vanuatu

Explore these exotic islands in 6-star ultra-luxury on board Scenic Eclipse, The World's First Discovery Yachts™. Culturally unique, historically fascinating and aesthetically pleasing, these alluring archipelagos have something for everyone.

Experience the traditional way of life in far-flung lands, where thousands of tribes have their own languages and customs. Sail along Indonesia's ancient spice-trading route, while discovering its multicultural heritage. Encounter thriving wildlife in Melanesia's pristine waters, rainforests and sunny skies. Be amazed as you dive and snorkel the Coral Triangle, particularly at Raja Ampat, a marine biodiversity hotspot in Indonesia. Discover remote villages in West Papua, Vanuatu and the Solomons, fringed by palm trees and dreamy beaches.

Maluka Islands (Spice Islands)

The Maluka Islands, formerly the Spice Islands, were once the exclusive source of coveted spices such as nutmeg, cloves, mace and pepper, which lured international traders across the oceans. While navigating through this incredible 'Spice Alley', savour the exquisite cuisine of these destinations at one of up to 10 dining experiences.

Charles Darwin's forgotten partner, naturalist Alfred Russel Wallace, spent eight years in this volcanic region collecting samples of endemic insects, birds and other

animals. Many of these endangered species, such as red birds of paradise and bird-winged butterflies, may be spotted on a walk in the jungle. Not only did Wallace formulate his own theory of evolution, in 1859 he identified a hypothetical boundary (now called the Wallace Line) between Bali and Lombok that divides Southeast Asian and Australian fauna. Surrounded by coral reefs, the Maluka Islands are also excellent for diving. Learn more from the lectures and excursions offered by your expert Discovery Team.

West Papua

Hundreds of tribes live in this rarely visited Indonesian province. Witnessing authentic displays of their enduring practices, colourful dress and adornments will be remembered long after your return home.

Although it's only 200km north of Australia, parts of West Papua were unknown to the outside world before the 1960s. The largely unexplored countryside boasts mountains, virgin rainforest, 25,000 species of plants including 3,000 orchids, and unusual wildlife such as the long-beaked echidna and tree kangaroos.

Raja Ampat

Seize the opportunity to dive with the Scenic Discovery Team in West Papua's Raja Ampat, a truly spectacular chain of 1,500 islands and mushroom-shaped islets.

One of the most biodiverse marine ecosystems on the planet, these protected waters are home to 75 per cent of the world's known coral species, more than 1,600 species of tropical fish and 17 species of marine mammals. Surrounded by limestone caves, white-sand beaches and lagoons, it's an underwater spectacle not to be missed.

Solomon Islands

Join our historians to delve deeper into the Solomons' World War II battle sites, especially on Guadalcanal, where many remnants and shipwrecks can be found. Browse Honiara's Central Market of fresh produce and handicrafts.

Marine life flourishes in the crystal-clear waters of these 992 islands, which are ideal for snorkelling, diving, canoeing and basking on beautiful beaches. From marine biologists to naturalists, your Discovery Team will lead bird-spotting and hiking in this stunning location.

Vanuatu

Prepare to be impressed by the pristine landscapes, relaxed lifestyle and happy locals of Vanuatu. Explore Champagne Bay, where a freshwater spring flows into the lagoon, forming bubbles at low tide.

The largest of the 83 islands, Espiritu Santo is inhabited by the indigenous Ni-Vanuatu people who still practise many fascinating rituals. Pentecost Island is best known for its land-diving – the original bungee jump – where men leap from towers constructed of branches held together with vines. The ceremony, held between April and June, celebrates the first yam crop of the season. On Ambrym Island, trek around the rim of a volcano, and learn about the local black magic and kastom dances.

Booking conditions

Important: The following terms and conditions together with the general information contained in our journey brochure form the basis of your contract with Scenic Tours (UK) Ltd, 4 Piccadilly Place, Manchester, UK, M1 3BN company number 05770868. Please read them carefully as they set out our respective rights and obligations and in particular note that:

- If for any reason you cancel your holiday, cancellation charges will apply and may be up to 100% of the booking cost. We may also cancel your booking;
- You may make amendments to your booking but there will be a charge for this and we can change your booking where it is necessary for us to do so;
- You should take out travel insurance that is appropriate to your needs;
- We provide financial security as required by The Package Travel and Linked Travel Arrangements Regulations 2018 for package holidays through our membership with ABTA (membership number: Y6328) and for flight inclusive holidays our ATOL membership (number 9294);
- Some of the flights and flight-inclusive holidays on this website are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services listed on this website. This website will provide you with information on the protection that applies in the case of each holiday and travel service offered before you make your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. Please see our booking conditions for information, or for more information about financial protection and the ATOL Certificate go to: www.caa.co.uk
- In order for us to process your booking and provide the journey to you, you will need to provide us, and we will need to use your personal information. We will also need to provide your personal information to service providers. By making a booking you give us your consent to use and disclose your personal information in the manner described.

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions and agree to them. Except where otherwise stated, these booking conditions only apply to journey arrangements (including pre and post journey accommodation, activities and other services) which you book with us and pay for before departure and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "cruise", "journey" or "arrangements" mean such journey arrangements unless otherwise stated. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Scenic Tours (UK) Limited.

We are a Member of ABTA. When you book with an ABTA Member you can expect high service standards, fair terms of trading and accurate information. ABTA's strict joining criteria for Members, code of conduct, customer helpline and approved Alternative Dispute Resolution (ADR) scheme to resolve complaints are all there to give you confidence and peace of mind when booking your travel arrangements.

Bookings

1. If you or any member of your party has any medical condition, pregnancy, or disability which may affect your journey or has any special requirements as a result of any medical condition, pregnancy, or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. Given the potentially extreme conditions and remote locations we may visit you must also complete a mandatory full medical questionnaire (to be provided 90 days prior to departure) to enable us to assess the risks involved. This questionnaire must be signed by your medical practitioner between 90 and 60 days prior to the journey departure date and must be returned to us not later than 60 days prior to the journey departure date. Any medical certificate issued earlier than 90 days before the journey departure date will not be accepted and a revised one will be required. Any guest who has not completed and returned their medical certificate will not be cleared for embarkation and their booking will be deemed to have been cancelled by them in which case the cancellation charges will apply detailed below. Some activities either on board the ship or onshore at all ports may be unsuitable for those with reduced mobility. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability, pregnancy, or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become

aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. It is important to note in relation to the Scenic Eclipse that:

- for safety reasons, passengers in wheelchairs cannot be carried on boarding ramps (which may be steep due to water levels) whilst the vessel is tied up or at anchor, or on to motor coaches, tenders, Discovery experiences including but not limited to Zodiacs, kayaks and submarine; and
- collapsible walkers may be taken onto tender vessels for transfer to shore for the included touring. Walkers are however unable to be taken on the zodiacs at any time due to space restrictions. The walkers will be stored in the guest's suite – there is no additional storage space on board.
- guests must be able to walk up/down stairs in the event of an emergency to reach emergency evacuation points.
- motorised scooters cannot be used on board
- wheelchairs and walkers can be carried in the luggage compartment of motorcoaches subject to space limitations.
- embarking and disembarking the tenders, Zodiacs, kayaks and submarine are via a mud room/change room with steps leading to a marina platform and requires the ability to step into and out of these vessels unaided.
- elevators may not access all decks and cabins and bathrooms may have significant thresholds and cabin doors which limit access.

2. The operation of all journeys is conditional on us securing the minimum number of bookings. Where sufficient numbers cannot be achieved, we may cancel or change a scheduled journey. Please also see clauses 13 to 16. We will notify you no less than 30 days prior to the departure date of the journey if we have to cancel or significantly change a journey due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

4. To make a booking, you are required to pay a 10% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) with a second 15% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) due 12 months prior to departure.

Early bird fares have limited availability

5. The balance of the journey price must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

6. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Credit Card Payments

7. There is no charge for credit or debit card payment.

Your contract

8. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the first named person on the booking ("lead name") or your travel agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify

any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

9. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA Alternative Dispute Resolution Scheme ("ADR") (if the scheme is available for the claim in question and you wish to use it – see the clause 37) or by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

What are your obligations?

10. (a) You must follow the Captain, Discovery Team Leader, and Tour Director's instructions at all times. You acknowledge that failure to do so may result in your withdrawal from the journey. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the journey of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the journey, you must make your own return travel arrangements at your own expense.

Journey price

11. The journey price is based on the cruise cabin category as indicated on each journey page. Upgrades to other cabin types may be available at additional cost. Please note that individual cabin number requests are a request only and cannot be guaranteed.

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices and information at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

12. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge.

If any surcharge is greater than 8% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us – see clause 14. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the journey price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

Variation or cancellation by us

13. We start planning the journeys we offer many months in advance.

Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foreseen when this may occur. Unfortunately, this is an inherent risk in sailing which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to so, for example in the interests of the health and safety of passengers.

14. Most changes made to a confirmed journey are minor. Examples of what we both agree to be minor changes are changes of vessels to one of the same class for the whole or part of your journey, changes to vehicles used for transfers and

excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 42 to 44 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

15. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 14 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 14 can be accepted where (a) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (b) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached – see clause 2. No compensation will be payable and the options set out in clause 14 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

16. Very rarely, we may be forced by Force Majeure (see clause 28) to change or terminate your journey after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

17. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

18. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed.

19. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation Fees

Period before your journey commences within which written notification of cancellation is received by us

Cancellation period	Fee per person
120 days and over	Loss of Deposits
119 to 91 days	50% of journey price
90 days or less	100% of journey price

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess)

under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Our liability

20. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

21. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or

- the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable/unavoidable or

- Force Majeure as defined at clause 28 below.

22. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our journey brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

23. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 20. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

24. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,000 per person affected unless a different limitation applies to your claim under this clause or clause 25 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 25 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey.

25. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable

international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

26. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (b) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses including self-employed loss of earnings.

Suppliers

27. Many of the services which make up your journey are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 25). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

Force Majeure

28. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. Force Majeure means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) an act of God, war, terrorism, fire, flood or any other extreme weather conditions exceptional water levels, lock damage, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, political unrest, riots or civil disturbances, prohibitions or acts of Federal, State, Territory, local government, quasi-government bodies or other authorities (including, in each case, their duly constituted or appointed agents), inability to obtain the necessary licence of consent and delays caused by sub-contractors, suppliers or other third parties (including telecommunications carriers), material shortages, any border closures by any country or the UK Government, or other disruptions to the Journey beyond our control.

29. You acknowledge and accept that there are inherent risks associated with our journeys for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, submersible, helicopter, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations such as the Antarctica, South Georgia and the Arctic & Fjords.

30. You must take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative, and emergency repatriation (from remote ocean locations) in the event of accident or illness.

31. Please read your policy details carefully and take them with you on your journey. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

32. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

33. The Foreign and Commonwealth Office may have issued information about your journey destination. You are advised to check this information on the internet at www.gov.uk/foreign-travel-advice.

Smoking

34. Smoking is limited to designated smoking areas on Scenic Eclipse (and any other vessels), and is not permitted in suites or on verandahs and terraces.

(a) You acknowledge that we may restrict smoking to specific times and locations during Your Cruise for the comfort of all passengers. (b) Smoking is not permitted on coaches/transfer vehicles, discovery vessels, or such other places as nominated by us from time to time.

Baggage allowance

35. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11 in (62 inches) and weight 23kg (50 lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

Young travellers

36. Travellers who are less than 18 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 18 or over. Children under the age of 12 years are not encouraged and are accepted or rejected at our sole discretion.

Complaints, Alternative Dispute Resolution, and Damage

37. If a problem occurs during your journey, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your journey. You must also advise the supplier concerned.

Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made either by telephone or in writing to us giving full details within 30 days of the end of the journey. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result.

Only the lead name should write to us. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's ADR (Alternative Dispute Resolution) Scheme. The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The arbitration scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/omissions of the supplier.

This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. Passports and visas

46. British (citizen) passport holders are recommended to have a valid passport with at least 6 months validity from return date. If your passport has less than 6 months validity from the return date, then a waiver form must be signed. It is your responsibility to ensure any visas required for countries to be visited on the journey have been obtained prior to the journey departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. We recommend that you check www.gov.uk/foreign-travel-advice for the latest entry requirements for the countries you are due to visit.

47. A full British passport presently takes approximately 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up-to-date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

48. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre <http://travelhealthpro.org.uk/>. Information on health abroad is also available on www.nhs.uk/Livewell/Travelhealth. At the time of publication of this brochure, we are not aware of any compulsory health requirements applicable to British citizens taking any of

the holidays featured in this brochure. For holidays in the EU/EEA you should either be in possession of a valid EHIC (European Health Insurance Card) or apply for the UK Global Health Insurance Card (GHIC) prior to departure from <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>. An EHIC or GHIC is not a substitute for travel insurance. Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information.

49. It is the lead name's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs or expenses being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

Financial security

50. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight, or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, and the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. Please note: Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme. *The air inclusive holidays and flights we arrange are ATOL protected providing they are made available in the UK. For further information, visit the ATOL website at www.atol.org.uk.
