# NEW ZEALAND

*From the tip of Cape Reinga to the splendour of Milford Sound, where Māori folktales resonate over striking mountain ranges and ancient glaciers have led to this land being depicted as a piece of fictional fantasy. New Zealand is yours to explore your own way, traversing wild waterways and taking rail journeys that weave through the Southern Alps.*

*Milford Sound, South Island,  
New Zealand  
S 44° 64' E 167° 89'*

### Māori culture

Delve deep into New Zealand's heritage and learn about the indigenous Māori people. Visit Tane Mahuta to hear tales of the forest, enjoy a performance at the Waitangi Treaty Grounds, and try a traditional Hangi dinner.

### Outstanding natural beauty

Witness some of the most geographically diverse spectacles on Earth. Wake up to stunning views of Milford Sound, journey to Cape Reinga, and travel by TranzAlpine to witness the plunging Franz Josef Glacier.

### The North & South islands

Both spectacular islands boast their own identities. The North is celebrated for its national parks, natural phenomena and cosmopolitan cities, while the South's mountains, glaciers and fiords will leave you awestruck.

### Iconic locations

Visit the Hobbiton™ movie set to experience the real Middle Earth, take a walking tour of Rotorua's geothermal bubbling mud pools, and head to the snowy peaks of the Remarkables for adrenaline-fuelled adventures.

## Discover New Zealand

*Charming towns frequented by friendly locals, immense landscapes inhabited by extraordinary wildlife and the powerful Māori culture still resonate to this day. New Zealand may be divided by north and south, but combine the two and you have the journey of a lifetime.*

### The North Island

The serene Bay of Islands attracts water lovers, from fishermen to sailing enthusiasts. Multicultural Auckland is the country's largest city; it's a place that demands you dig a little deeper to unearth the real charm of the region. In Wellington, the plentiful bars, cafés and museums are encircled by lookout hilltops and a craggy shoreline. Rotorua shies away from the metropolitan buzz, swapping modernity for authentic Māori culture and substituting silver skylines with natural mineral pools, which are ideal for a relaxing Polynesian spa day.

### The South Island

In between the cities and towns where locals dwell, great mountains, glimmering waterways and ivory glaciers fill the gaps. One of the best ways to navigate this eclectic landscape is by boarding the TranzAlpine railway and journeying through the magnificent Southern Alps, or by taking to the many rivers and lakes for a tranquil (or exhilarating) boat ride. Peace and tranquillity is easily found on these bountiful lands.

- A Indigenous flora and fauna
- B Milford Sound
- C Franz Josef Glacier
- D Geothermal activity, Rotorua

### Walk on the wild side

Rudyard Kipling once described Milford Sound as the 'eighth wonder of the world'. Now, this fusion of spectacular treasures is an adventurer's playground, perfect for rural hikes, diving, kayaking and everything else in between. The conveniently accessible Franz Josef Glacier is a modern-day slice of the ice age, easily explored with an expert guide. And, in Rotorua, orange-rimmed geothermal pools emanate clouds of hot steam. With so few people inhabiting this fertile land, so much of New Zealand remains perfectly unspoilt.

of New Zealand

We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

### Payment

4. To make a booking, you must pay the applicable deposit of a minimum of £1,250 per person or full payment if booking 120 days or less before the start of the holiday (if you are travelling Premium Economy or Business Class the deposit amount may be higher and will be confirmed at time of booking). If you make a provisional booking the deposit or full payment, as applicable, must be received by us at the time of booking to ensure a place on the journey is held. We will automatically assume that you do not wish to proceed with a booking if the applicable deposit or full payment, as applicable, is not received by us and we will have no further liability to you. Any

accommodation, sightseeing or flights we book for you which are separate to those stated in your itinerary are not included in the deposit or journey price. An extra payment will be required to cover the costs of these additional services, and these services will not be booked until both your holiday deposit and additional service costs are paid in full.

5. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you take out adequate insurance prior to booking.

6. The balance of the journey price (after deduction of the applicable deposit) must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

7. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

8. Credit Card Payments (No charge for debit/credit cards)

### Your contract

9. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name") or your Travel Agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

10. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales.

If proceedings are brought in Scotland or

Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

#### What are your obligations?

11. (a) You must follow the Tour/Cruise Director's instructions at all times. You acknowledge that failure to do so may result in restricted access to areas on journey, or if necessary for your own safety and/or that of other passengers, withdrawal from the journey. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the journey of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the journey, you must make your own return travel arrangements at your own expense.

#### Journey price

12. Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the journey price has been confirmed at the time of booking, clause 13 below will apply.

13. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 10% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us – see clause 18. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the journey price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 30 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

#### Journey features

14. We make no representations about the

features of any journey other than those expressly set out in this brochure and these terms and conditions.

#### Brochure validity

15. The brochure and these terms and conditions are valid for the departure dates as stated in the brochure unless extra dates are added or otherwise expressly advised by us. Variation or cancellation by us

16. We start planning the journeys we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings.

17. In the event of industrial action affecting air, rail, cruise or other journey related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any). However, if contact is not made, you should phone 0808 231 3933.

18. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. However, due to the nature of travel, it may not always be possible for us to adhere strictly to your itinerary and the operator may need to make alterations to the journey or your itinerary, before or after the commencement of the journey. Where, due to circumstances outside the operators control, We are unable to provide the journey in accordance with your Itinerary, we will use reasonable endeavours to: (a) give you reasonable notice of any alterations, but there may be circumstances beyond our control in which alterations will be required with little, or no, advance notice; and (b) provide or arrange appropriate alternative activities, transport and accommodation as required. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 48-51 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

19. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 18 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in

clause 18 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached – see clause 2. No compensation will be payable and the options set out in clause 18 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

20. Very rarely, we may be forced by Force Majeure (see clause 34) to change or terminate your journey after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

#### Amendment or cancellation by you

21. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

22. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed.

23. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

#### Cancellation Fees

24. Days of notice prior to journey commencement

Cancellation charge (per person)

120 days and over	Loss of deposit
119 - 91 days	50% of journey price
90 days & less	100% of journey price

NB. Transferring to another date is treated as

a cancellation and the cancellation fees above will apply.

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

#### **Our liability**

25. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are, made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: -

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable/unavoidable or
- Force Majeure as defined at clause 34 below.

26. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

27. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the

case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 24. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

28. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1000 per person affected unless a different limitation applies to your claim under this clause or clause 29 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 29 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey.

29. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

30. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any

business losses including self-employed loss of earnings.

31. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to co-operate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

#### **Suppliers**

32. Many of the services which make up your journey are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 29).

33. Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

#### **Force Majeure**

34. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. Force Majeure means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) an act of God, war, terrorism, fire floor or any other extreme weather conditions, exceptional water levels, lock damage, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, political unrest, riots or civil disturbances, prohibitions or acts of Federal, State, Territory, local government, quasi-government bodies or other authorities (including in each case, their duly constituted or appointed agents), inability to obtain the necessary licence of consent and delays caused by sub-contractors, suppliers or other third parties (including telecommunications carriers), material shortages, any border closures by any country for the UK Government, or other disruptions to the journey beyond our control, set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

#### **Risk and travel insurance**

35. You acknowledge and accept that there are inherent risks associated with our journeys for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations.

36. We strongly advise you to take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative and emergency repatriation in the event of accident or illness.

37. Please read your policy details carefully and take them with you on your journey. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Service availability, itinerary changes and travel advice

38. During local or national holidays, certain

facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

39. The Foreign and Commonwealth Office may have issued information about your journey destination. You are advised to check this information on the internet at [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice).

#### Smoking

40. Smoking (including e-cigarettes) is not permitted inside tourist coaches and such other places as are prohibited by us or our suppliers. We will use reasonable endeavours to ensure there are frequent stops on any coach trip and there are permitted areas outside decks on-board some cruise vessels which are available for smoking, however we cannot guarantee these facilities will be available.

#### Baggage allowance and luggage restrictions

41. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11in and weight up to 23kg (50 lbs) dependent on any airline restrictions. Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

#### Young travellers

42. Travellers who are less than 21 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 21 or over. Children under 12 years of age are not encouraged and are accepted or rejected at our sole discretion. This is a condition of carriers and cruise operators we use.

#### Complaints, Alternative Dispute Resolution and Damage

43. If a problem occurs during your journey, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your journey. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made either in writing or over the telephone giving us full details within 30 days of the end of the journey. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result. Only the lead name should contact us. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's ADR (Alternative Dispute Resolution Scheme). The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website ([www.abta.com](http://www.abta.com)). The arbitration scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury

or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/omissions of the supplier.

44. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

#### Included in your fare

45. Economy airfares from the UK (unless specified at the time of booking, e.g. selected special offers), coach and cruise travel, services of a Cruise Director (if applicable) and/or Journey Director; local guide in destination (if applicable), airport transfers outside of United Kingdom, port charges, meals as specified in your itinerary, economy class group flights and air taxes as set out in your specific itinerary, accommodation, sightseeing and admissions and other services as expressly indicated in the itinerary, all gratuities and tipping on land journeys except as set out below.

#### NOT included in your fare

46. Unless expressly listed in your itinerary as an inclusion, your journey price does not include shore excursions on ocean cruises; additional optional activities; accommodation upgrades; overnight accommodation required to meet your journey and/or flight connections; gratuities and tips to any staff on cruise ships not operated by us (unless otherwise expressly advised), meals not specified in the itinerary, drinks, laundry, passport fees, visas, vaccinations, medical assistance, government taxes and charges (excluding VAT), expenses of a personal nature, travel between train stations and any other items which are not expressly included in the cost of your journey. Changes to flight schedules may require additional overnight accommodation at either commencement or completion of journey which is at your own expense. For the avoidance of doubt hotel accommodation is not provided on an all-inclusive basis.

#### Airfare conditions

47. Air travel is based on a specific class and is subject to availability at time of booking. If booking a promotional journey, all inclusions and conditions may differ. Please check promotional booking conditions. Full details and conditions may be obtained from your

travel consultant. Changes to original tickets will incur amendment or cancellation fees, are subject to availability and surcharges may apply. Please see clauses 21 and 22 above. Please note: all airfares are subject to routing restrictions, and route availability.

#### Flights

48. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. The actual times will be those shown on your tickets which will be dispatched to you approximately two weeks before departure. Please note, flights may operate indirect. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been dispatched - we will contact you as soon as possible if this occurs.

49. In accordance with the UK's retained EU Legislation on EU Directive (EC) No 2111/2005, we are required to bring to your attention the existence of a list which contains details of air carriers that are subject to an operating ban within the UK. The Community list is available for inspection at <https://info.caa.co.uk/uk-regulations>. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/the carrier are unable to offer you a suitable alternative the provisions of clause 18 and 19 will apply. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

50. If you suffer a delay to your outbound travel arrangements, we will do our best to assist you make the start of your journey or, if this cannot be achieved, join it as soon as possible any costs we incur in making any alternative arrangements in this situation will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

51. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full

amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If the airline does not comply with these rules, you may complain to the CAA on 020 7453 6888 or by e-mail to [passengercomplaints@caa.co.uk](mailto:passengercomplaints@caa.co.uk) or see [www.caa.co.uk](http://www.caa.co.uk) – Referring Your Complaint to the CAA.

#### Transfers

52. These are only available on the day your journey commences and the day your cruise/journey terminates at designated times. Transfers outside these times will be at your expense and arrangement. If you have purchased pre and post journey hotel accommodation through us, you will be provided with airport transfers to/from your hotel to the relevant gateway airport and to the ship. If your airline booking is not made by us, you must ensure your flight details are provided to us (this can be entered by Trip Personaliser at [www.scenic.co.uk](http://www.scenic.co.uk).) Please note: No refund will be given for unused transfers. Transfers cannot be routed to other pick-up points or destinations. Passengers who miss the pre-booked transfer will be responsible for making their own way to/from the ship/rail station or hotel at their own expense. Transfers must be booked and flights advised to us a minimum of 60 days prior to travel otherwise transfers cannot be guaranteed. This may not apply to all journeys. Please ask at time of booking. You will be responsible for any excess baggage charges.

You acknowledge and agree we have no liability to you for any loss, damage, breach of contract or negligence relating to your luggage during this portion of the journey and in the event of any dispute or claim including for loss, damage, breach of contract or negligence arising from the conduct of the service provider, you must pursue Your claim directly against the relevant service provider.

#### Hotel accommodation

53. IMPORTANT: Unless otherwise expressly stated in the description of the journey in question or expressly advised by us to you, overnight accommodation required to meet journey and/or flight connections is not included in the journey price and is at your own expense.

We may substitute hotel accommodation of a similar standard in the place of the advertised hotel due to hotel availability issues. Any changes will be notified once confirmed with the hotel.

Although we have taken reasonable steps to secure the most suitable hotel accommodation in the area of the journey, we are not liable to you for the quality, size or fitness of hotel rooms.

#### Passports and visas

54. British (citizen) passport holders should have a valid passport with at least 6

months validity from return date. It is your responsibility to ensure any visas required for countries to be visited on the journey have been obtained prior to the journey departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. Please note: You must ensure that you obtain prior to the journey departure date all required entry visas for all countries to be visited during the journey, as failure to obtain correct documentation may affect your participation in certain shore excursions and entry to certain countries during the journey.

UK passport holders require a visa to enter Australia and New Zealand.

If you do not have the correct visa or other documentation necessary to enter a country or participate in any aspect of a journey ("documentation"): (a) We will not refund to you all or any portion of the journey price; and (b) You will be responsible for any costs You incur as a result of your failure to obtain the required documentation, including any costs associated with re-joining the journey. We recommend that you check [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice) for the latest requirements for the countries you are due to visit.

55. A full British passport presently takes approximately 4 to 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up-to-date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

56. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre [www.nathnac.org](http://www.nathnac.org). Information on health abroad is also available on [www.nhs.uk/Livewell/Travelhealth](http://www.nhs.uk/Livewell/Travelhealth). Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information.

57. It is the lead name's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs or expenses being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

#### Financial security

58. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. Please note: Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme \*The air inclusive holidays and flights we arrange are ATOL protected providing they are made available in the UK. For further information, visit the ATOL website at [www.atol.org.uk](http://www.atol.org.uk).

59. We are a member of ABTA with membership number Y6328. ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain high standards of service to you by ABTA's Code of Conduct. For further information about ABTA, the Code of Conduct and the dispute resolution scheme available to you if you have a complaint, contact ABTA, 30 Park Street, London SE1 9EQ. Tel: 020 3117 0500 or [www.abta.com](http://www.abta.com).

If your holiday does not include flights, ABTA will financially protect your holiday by ensuring you receive a refund or, if your arrangements include return travel to the UK (other than flights) you are returned to the UK in the event that your holiday cannot be provided as a result of our insolvency. Please go to [www.abta.com](http://www.abta.com) for a copy of the guide to ABTA's scheme of Financial Protection.

We accept no responsibility for the suitability of the allocated rooming partner.

(c) If at any time during the journey, you consider your rooming partner unsuitable, you must notify us and we will use reasonable endeavours to arrange single accommodation for you for the remainder of the journey, subject to availability, and at your own cost.
