Scenic Tour Directors

Being a Scenic Tour Director is not just a job, it's a lifetime passion. Your Tour Director's role is to make sure your land touring exceeds your expectations. They will manage each element of your journey (with the exception of cruises and extensions) to ensure you see everything listed in your itinerary at an enjoyable pace.

Not only can you expect to be taken to the must-see highlights, you'll also be treated to the little-known gems and delightful back streets that we know so well.

A personal touch

Our land journeys have no more than 36 guests, allowing a more personalised experience. Our Scenic Tour Directors escort all our journeys, ensuring your wellbeing, health and safety are top priority. We personally greet you on arrival and, at the end of your journey, we'll transfer you to the airport.

Travel in style

🕒 25 Day Journey & Cruise 📍 Montréal > Montréal

Nature's masterpiece

In the winter, North America is painted in subdued tones, as if dabbed in watercolours. In summer, it's as bright and breezy as warm pastel pigments. However, it's in the autumn that you'll see it at its most beautiful.

Autumn is painted in an entirely different palette. With its mauve browns and rusty reds, this season has a more textured look, as if it has been created in oils, with the rough brushstrokes of an impressionistic masterpiece. At every point in this itinerary, starting in Montréal, progressing through Québec City and on to Pennsylvania and New York, you'll get to witness nature's magic at work, painted on every tree, every mountain, river and city.

EXTEND YOUR JOURNEY

Extend your stay to the far reaches of the continent.

The activities on offer range from seeing the Northern Lights to viewing grizzly bears in their natural habitat. You can look forward to moments you'll cherish for a lifetime.

o Knight Inlet

Knight Inlet Floating Lodge, Canada

Close encounters of the thrilling kind

Venture to the wild and pristine region of Western Canada's Pacific Northwest, where a select few are afforded the incomparable thrill of close encounters with some of North America's most impressive creatures – massive Grizzly bears, soaring Bald eagles and pods of orcas.

From May to late August, take to the waters to spot mothers and their cubs feeding on succulents and playing in the tall grass. What could be more delightful, and yet so thrilling at the same time?

Come autumn, in what is surely one of nature's most dramatic spectacles, the spawning salmon turn crystal clear waters dark. The end of the salmon life cycle sparks the beginning of another ancient rhythm: the return to the rivers of the *Urses Arctos Horribilis* – the North American Grizzly bear. From late August to mid-October, the grizzlies take to the salmon-filled rivers and offer a spectacular sight as dozens of them gather at the spawning channels to gorge on the salmon as they stack up in the river. Viewing at this time is, of course, from specially made viewing platforms.

Whatever time you visit, you'll find yourself in a world of amazing wonder.

🕒 4/5 Day Journey 📍 Vancouver > Vancouver

Day 1

Vancouver > Campbell River

Board your flight from Vancouver to Campbell River, situated on the east coast of Vancouver Island. After checking into the Comfort Inn & Suites for the night, explore the town.

Get a taste of the wonders in store as you stroll along Discovery Pier and look out over the views of Discovery Passage, Quadra Island and the Coast Mountain Range on British Columbia's mainland.

Day 2

Campbell River > Knight Inlet

Transfer by floatplane and marvel at the magnificent views on your way to Glendale Cove, Knight Inlet. Your cosy floating lodge for the next two nights, Knight Inlet Lodge, is exclusive to Scenic. Glendale Cove is home to one of the largest concentrations of Grizzly bears in British Columbia. Venture up the estuary through shallow tidal waters in search of these impressive and awe-inducing creatures. Meanwhile, magnificent Bald eagles soar above you or perch eagerly along the shore. Photo opportunities abound. Later, enjoy lunch at the lodge before a second bear viewing tour and a sightseeing cruise, taking in the natural wonders of Knight Inlet. Be captivated by tremendous waterfalls plummeting out of sheer rock faces, ancient glaciers with trails carving through the mountains, and wild rivers teeming with life. Make sure you keep an eye out for other wildlife in the area, such as seals, sea lions and dolphins.

Evenings at the lodge are the perfect end to an amazing day, where you can relax and catch up with your fellow adventurers to share the day's highlights over a sumptuous dinner with included wine. Feel free to join the evening's interpretive presentation to learn even more about the wondrous animals you've come across today.

Meals: B.L.D

Day 3

Knight Inlet

Venture out on a guided walk of the beautiful Kwalate River Valley and experience the wonder of the temperate rainforest ecosystem. Otherwise, enjoy a guided tracking tour and learn more about bear habitat and behaviour – and where better to appreciate this information than on the ground in bear country. To round out the day, you'll have another opportunity for more bear viewing before dinner, either by boat in the spring or from the viewing platforms in the summer. Either way, you're sure to have amazing photo opportunities.

The Greatest Outdoor Show on Earth

The Calgary Stampede is a not-for-profit community organisation that preserves and celebrates Calgary's Western heritage, its cultures and its community spirit. The Calgary Stampede was started in 1912 by Guy Weadick, and was initially a six day spectacle titled the 'Frontier Day Celebration and Championship'. Weadick envisioned a world-class rodeo competition that would celebrate the romance and culture of the disappearing 'old west'. By 1923, it was known as the Calgary Exhibition and Stampede and held annually in July. This was also the inception of the delicious complimentary pancake breakfast tradition that is hosted each morning throughout the city during the Stampede.

— Cruise 📍 Cruise start/finish ① Overnight stay Included flight

🕒 *Roald Amundsen*

Since the fifteenth century, the Northwest Passage has been a famed sea route. Treacherous conditions and sea ice cover has previously made this route impassable. In 1906, Norwegian explorer Roald Amundsen became the first to successfully navigate the Northwest Passage. Roald Amundsen is one of the greatest figures in the field of polar exploration, also being the first to reach the South Pole, and one of the first to cross the Arctic by air.

With land that remains frozen for almost the entire year, dominated by frost shattered rocks and minimal plants and animals, it is a barren wasteland that has very

similar conditions to the planet of Mars. It is also the location of the Haughton impact crater, formed when a meteorite about 2km in diameter crashed into the surface 39 million years ago. Flat top mountains, glacial valleys and substantial ice caps, Devon Island has a unique and majestic beauty. **Discovery:** Scenic Discovery excursions by Zodiac, kayak and onshore landings.

Beechey Island was the winter camp of the ill-fated 1845 Franklin Expedition. The final resting place of three of Sir John Franklin's crew, it has served as the base camp for much of the exploration of the Northwest Passage. Prince Leopold Island is home to over 400,000 birds nesting on the small island, with limestone cliffs stretching up to nearly 870 feet tall.

Day 9-16

Across the Northwest Passage

Exciting days lie ahead as you venture into the Northwest Passage, navigating delicately through the Canadian Arctic Archipelago. Connecting the Atlantic Ocean to the Pacific, this once impassable route is a place where few are lucky enough to have travelled.

From John Cabot to James Cook and Sir John Franklin, many explorers set out to conquer this fabled route and failed. On board Scenic Eclipse you will go further than these intrepid explorers were ever able to. Due to the

extraordinary nature of this very remote Arctic region, our route is dependent on the ice and weather conditions. Our experienced Captain and Discovery Leaders will use their expertise to design your voyage from day to day, with each day a highlight.

Discovery: Scenic Discovery excursions by Zodiac, kayak and onshore landings for nature walks and visits to remote communities.

Day 17

Herschel Island

Sitting on the edge of the Beaufort Sea, north of Canada's Yukon Territory, Herschel Island was first inhabited by the Thule, ancestors of the Inuit. Herschel Island is home to a unique array of arctic plants, animals and sea life, including the largest colony of Black Guillemots in the Western Arctic.

Discovery: Scenic Discovery excursions by Zodiac, kayak and onshore landings to explore historic structures. Learn about the Thule and Inuit cultures and explore the melting permafrost.

But ATOL protection does not apply to all holiday and travel services listed on this website. This website will provide you with information on the protection that applies in the case of each holiday and travel service offered before you make your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. Please see our booking conditions for information, or for more information about financial protection and the ATOL Certificate go to: www.caa.co.uk
- We are responsible for your package holiday subject to the terms of these Booking Conditions and will pay you compensation when appropriate.
- In order for us to process your booking and provide the journey to you, you will need to provide us, and we will need to use your personal information. We will also need to provide your personal information to service providers. By making a booking you give us your consent to use and disclose your personal information in the manner described.

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions and agree to them. All references in these booking conditions to "holiday", "booking", "cruise", "journey" or "arrangements" mean such journey arrangements unless otherwise stated. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Scenic Tours (UK) Limited.

We are a Member of ABTA. When you book with an ABTA Member you can expect high service standards, fair terms of trading and accurate information. Bookings

1. If you or any member of your party has any medical condition, pregnancy or disability which may affect your journey or has any special requirements as a result of any medical condition, pregnancy or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability, pregnancy or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. Any passenger affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will provide a suitable level of cover (see clause 36 for more information about insurance).

2. The operation of all journeys is conditional on us securing the minimum number of bookings required to operate the journey and to ensure an enjoyable group atmosphere. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled journey. Please also see clauses 18 and 19. We will notify you no less than 60 days prior to the departure date of the journey if we have to cancel or significantly change a journey due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or

any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

4. To make a booking, you must pay the applicable deposit of a minimum of £1,250 per person or full payment if booking 120 days or less before the start of the holiday. For Scenic Eclipse bookings the deposit amount is 10% of the cruise element (or cruise and land element when booking a cruise and land journey combination) with a second 15% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) due 12 months prior to departure. Full payment will be due 120 days prior to departure. If you make a provisional booking the deposit or full payment, as applicable, must be received by us at the time of booking to ensure a place on the journey is held. We will automatically assume that you do not wish to proceed with a booking if the applicable deposit or full payment, as applicable, is not received by us and we will have no further liability to you. Any accommodation, sightseeing, flights or flight upgrades we book for you which are separate to those stated in your itinerary are not included in the deposit or journey price. An extra payment will be required to cover the costs of these additional services, and these services will not be booked until both your holiday deposit and additional service costs are paid in full.

5. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you take out adequate insurance prior to booking.

6. The balance of the journey price (after deduction of the applicable deposit) must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

7. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

8. Credit Card Payments (No charge for debit/credit cards)

Your contract

9. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name") or your Travel Agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

10. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

Your journey obligations

11. (a) You must follow the Captain, Discovery Team Leader (Scenic Eclipse) and Journey Director's instructions at all times. You acknowledge that failure to do so may result in restricted access to areas on journey, or if necessary for your own safety and/or that of other passengers, withdrawal from the journey. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the journey of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are

withdrawn from the journey, you must make your own return travel arrangements at your own expense.

Journey price

12. Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the journey price has been confirmed at the time of booking, clause 13 below will apply. When booking a cruise the price is based on the cruise cabin category as indicated on the brochure page. Upgrades to other cabin types may be available at an additional cost. Please note individual cabin number requests are a request only and cannot be guaranteed.

13. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 8% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us – see clause 18. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the journey price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

Journey features

14. We make no representations about the features of any journey other than those expressly set out in the journey brochure and these terms and conditions.

Brochure validity

15. The journey brochure and these terms and conditions are valid for the departure dates as stated in the journey brochure unless extra dates are added or otherwise expressly advised by us.

Variation or cancellation by us

16. We start planning the journeys we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foresee when this may occur. Unfortunately, this is an inherent risk in sailing which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to do so, for example in the interests of the health and safety of passengers.

17. In the event of industrial action affecting air, rail, cruise or other journey related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any). However, if contact is not made, you should phone 0808 231 3933.

18. Most changes made to a confirmed journey are minor. Examples of what we both agree to be minor changes are changes of vessels to one of the same class for the whole or part of your journey, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not

wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 49 to 52 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

19. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 18 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 18 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached – see clause 2. No compensation will be payable and the options set out in clause 18 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

20. Very rarely, we may be forced by Force Majeure (see clause 34) to change or terminate your journey after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

21. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be processed. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

22. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed.

23. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

24. Cancellation Fees

Period before your journey commences within which written notification of cancellation is received by us

Days of notice prior to journey commencement	Cancellation charge (per person)
120 days and over	Loss of deposit/s
119 to 91 days	50% of Journey Price
90 days or less	100% of Journey Price

NB. Transferring to another date is treated as a cancellation and the cancellation fees above will apply.

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Our liability

25. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do

or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-
the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable/unavoidable or - Force Majeure as defined at clause 34 below.

26. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our journey brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

27. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 24. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

28. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1000 per person affected unless a different limitation applies to your claim under this clause or clause 29 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 29 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey.

29. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

30. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses including self-employed loss of earnings.

31. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. 37. Please read your policy details carefully and take them with you on your journey. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

38. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

42. Travellers who are less than 21 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 21 or over. Children under 12 years of age are not encouraged and are accepted or rejected at our sole discretion. This is a condition of carriers and cruise operators we use.

Complaints, Alternative Dispute Resolution and damage

43. If a problem occurs during your journey, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your journey. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made in writing to us giving full details within 30 days of the end of the journey. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result. Only the lead name should write to us.

Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's

ADR (Alternative Dispute Resolution Scheme). The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The arbitration scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/omissions of the supplier.

44. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. 51. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. 76. Not later than 15 days before the journey departure date, expectant mothers are required to supply a medical certificate establishing their fitness for travel at the time they are due to travel. The certificate must be signed by a medical practitioner, include the estimated delivery date and be dated not earlier than 30 days before the journey departure date. In any event, we are unable to accommodate, and will not allow to participate in the Journey, any woman who has entered her twenty-fourth (24th) week of pregnancy prior to the journey departure date, or who will do so at any time during the journey, and, to the maximum extent permitted by law, will not be responsible or liable for any complication relative to any pregnancy during the entire duration of the cruise or thereafter. Additionally, airlines may have restrictions that may differ from ours. Please contact your travel professional or airline for details.

77. Unscheduled Embarkation / Disembarkation: International cabotage laws may prohibit guests from embarking or disembarking their voyage in any port except the main scheduled embarkation and disembarkation ports. Only those guests with a medical emergency may be allowed to embark or disembark the cruise vessel at an unscheduled embark / disembark port. If an unscheduled embarkation or disembarkation is permitted as a result of an emergency, those guests may incur additional charges intended to cover any fine or penalty levied against Scenic and any other additional costs. Such additional costs will be added to the guests' on board account prior to disembarking.

78. We strongly recommend that You take out comprehensive travel insurance with a reputable insurance company to cover you against risks associated with your cruise/journey including cover for loss of luggage, medical expenses, costs and expenses incurred due to cancellations, delays or other disruptions or medical evacuation in remote areas.

Any medical certificate issued earlier than 90 days before the journey departure date will not be accepted. Any guest who has not completed and returned their medical certificate will not be cleared for embarkation and will not benefit from any refund.
