## *Scenic Eclipse* Expert Discovery Team

*The Scenic Eclipse Discovery Team is at the core of our Expedition and Discovery Voyages. We have the top experts in their field, from historians and geologists, to archaeologists and photographers.*

The Discovery Team will provide enduring insights and safely guide you every step of the way. They will ensure you get the most out of the places you visit. From on board lectures in the state-of-art theatre, to guided kayak excursions and nature walks, to coasting on Zodiacs in front of enormous glaciers, the Discovery Team will share with you their passion for, and knowledge of, the magnificent Antarctic and South America regions.

## Meet some of our Antarctica & South American Discovery Team experts:

### Jonathan Fuhrmann

**Geology, Glaciology, Lecturer,  
Assistant Discovery Leader**

Jonathan's love of the Polar regions and great mountain ranges of Earth has proven enduring. He has worked on

expedition cruise ships on all seven continents since 2015 and enjoys speaking on subjects ranging from glaciology and geology to astronomy, volcanology and photography.

Antarctica is a charismatic wildlife framed by a unique backdrop of mountains and glaciers. As a dedicated member of the Discovery Team, helping our guests immerse in the stories this beautiful wild landscape tells us about our planet's past and present is why Jonathan enjoys returning to the Antarctic.

### Dr. Terence Christian

**Historian, Archaeologist,  
Discovery Leader**

Terence is a conflict archaeologist and military historian. Bitten by the travel bug from an early age, he has

travelled extensively, exploring a majority of the world's continents and oceans as an expedition leader, expedition guide and Zodiac driver.

Terence maintains active certifications in the expedition guiding and maritime industries including Certified Polar Guide status. According to Terence the Polar regions are some of his favourite places to guide guests. When you journey to the Poles, you journey where few have ventured before, where the climate provides unmatched artefact and preservation. Each day feels like a step back in time.

### Scott McCormak

**Kayak & Paddleboard Guide**

Scott runs his own company Cape LaHave Adventures and has over 20 years of experience guiding paddling expeditions in Antarctica and South America as

well as the Norwegian Arctic and Canada.

As a certified canoe, paddleboard and sea kayak instructor with Paddle Canada, he is an expert in this field. Scott brings a wealth of experience to ensure a safe, enjoyable and insightful environment for all guests and skill levels. Having guided more than 60 expeditions in Antarctica over eight seasons, Scott is excited to share his love and passion for discovery as a kayak and paddleboard guide with Scenic Eclipse guests.

### Alice Forrest

**Marine Biology, Lecturer,  
Assistant Discovery Leader**

Alice's passion is the natural world and creatures who inhabit it. She has degrees in Conservation Biology, Marine

and Antarctic Science and as a researcher she felt the best way to utilise this scientific knowledge is to share it.

Alice has worked extensively in marine tourism, connecting people to the wonder and value of the ocean. Alice's favourite experience is watching guests fall in love with nature as they snorkel with tiger sharks, kayak with dolphins, see eye-to-eye with humpback whales, or be breathed on by a minke whale in a Zodiac in Antarctica.

## Scenic Eclipse

# A day in the life of Antarctica

*Antarctica is a land of pristine beauty, breathtaking wildlife and invaluable importance. Each day will be unique, with discovery experiences enveloped in 6-star ultra-luxury on board Scenic Eclipse.*

Zodiac excursion, Cierva Cove, Antarctica

### Awaken

Wake to the whisper of Scenic Eclipse, its hull gently peppered by ice floes enticing you from your cosy Scenic Slumber Bed. At the suite's floor to ceiling window, catch your breath at the stunning views, as your butler serves a coffee of your choice.

Take in the early morning sunlight illuminating ice-clad mountains that soar above.

### Morning exploration

Excitement builds as you travel away from Scenic Eclipse. Its size and unique design allows you to explore places that larger vessels can't reach. What will it be today? Perhaps a landing near the largest gentoo penguin colony on the Antarctic Peninsula, where some 6500 noisy pairs raise chicks; a cruise through a sculpture garden of exquisitely eroded icebergs, or a snow hike to an island summit for stunning views.

### Morning

After a delicious breakfast, put on your complimentary Polar parka and proceed to the Discovery Centre where your insulated boots await. Join your group at the Marina entrance and board a Zodiac for your morning excursion. With only 200 guests in Polar regions, disembarkation goes smoothly and enables multiple landings each day.

### Late morning

No two excursions are alike. Your Discovery Leaders are alert to changing opportunities, from humpback whales suddenly breaching to leopard seals hunting just offshore – and flexible enough to get you there. Monitoring weather, sea state and ice, they will safely guide and share their insights into the region's environment, wildlife and history. Add our next level exploration on board our custom-built Helicopters^ or Submarine^.

Scenic Eclipse's limited guest numbers means multiple landings a day, and soon it's time to set off again. From fascinating historic huts, to seabird colonies, pods of whales to the thrill of calving glaciers, your Discovery Guides will interpret what unfolds before your eyes. Ignite the explorer within, joining an all-inclusive guided kayaking or paddleboard trip, sharing protected waterways with curious crabeater seals, porpoising penguins or navigate through the diamond glisten of brash ice.

### After-dinner

What better way to finish the day than with a nightcap in one of our nine all-inclusive bars and lounges, as alpenglow tinges the passing summits outside.

### Lunch

By midday, return to the ultra-luxury of your Discovery Yacht. Choose lunch at one of several dining experiences, from the casual Azure Bar & Cafe to the Yacht Club's grill, to contemporary fine dining. While you eat, rest and take in the sights, Scenic Eclipse repositions to a new location for another excursion, holding its place using its GPS Dynamic Positioning System, without dropping anchor onto sensitive seabeds.

### Afternoon rejuvenation

Back on Scenic Eclipse, visit our expansive 550m<sup>2</sup> Senses Spa for the pure indulgence of rejuvenating treatments, soak in our Vitality Spa or outdoor pool, or stretch tightening muscles in our gym, or yoga and Pilates studio. # Discover the Antarctic Region Seasonal Guide

- A Elephant Seals and King penguins and their chicks, South Georgia
- B Black browed Albatross, West Point Island, The Falklands
- C Southern Right whales arrive in Spring/Early Summer
- D Patches of sea begin to freeze in the Fall

To find out more [CLICK HERE](#)

*Antarctica guards its secrets in an icy grip for all but five magical months, when the sea ice slowly retreats and penguins, seabirds, whales and seals make their way south for an intense breeding and feeding season.*

Purpose built for Polar regions, Scenic Eclipse's strengthened hull and Polar Class 6 rating allows you to safely access places others can't, from the first month to the last. Walk straight on to sea ice from the ship, watch penguin chicks hatch, herald the arrival of seal pups on the beaches and humpbacks offshore – every voyage offers unique experiences. You can add the wonders of South Georgia and the Falkland Islands to your itinerary and combine these, with the 6-star ultra-luxury of Scenic Eclipse for your ideal voyage. Here are some seasonal highlights to help you plan which voyage to choose:

### *Spring/Early Summer*

#### **November – December**

On the Antarctic Peninsula, Spring is a favourite time for many, especially photographers, who delight in pristine snowscapes. Fast ice clings to bays along the west coast, and one ship's barrier is another's gateway to wonder. On board Scenic Eclipse, The World's First Discovery Yachts™ your dreams become reality. Flightsee<sup>^</sup> above magnificent Lemaire Channel, heliski<sup>^\*</sup> hidden powder stashes, and explore the ice edge the rarely-seen sea floor in our custom-built submersible, Scenic Neptune<sup>^</sup>.

Watch penguins begin courting, nest-building thievery and egg incubation. By late December, chicks hatch to be fed by parents that share fishing and feeding duties. Minkes, humpbacks and Southern Right whales arrive to feed beneath near 24-hour daylight. Our Into the Weddell Sea voyage visits the famous Snow Hill Island, where thousands of Emperor penguins nurture their young, before returning to the Antarctic Peninsula's west side. If ice conditions allow, navigating south, further than most expedition ships go, discover exquisite waterways like Lemaire Channel, the Gullet and Crystal Sound to celebrate crossing the Antarctic Circle (66°33'S). Where we may reach rarely-visited Marguerite Bay for a true Discovery Adventure.

On South Georgia, testosterone runs high amongst male fur and elephant seals, who battle to create and protect their harems. King penguins balance eggs on their feet and albatross reveal their gawky, gorgeous chicks. By mid-to-late December, in both South Georgia and the Falkland Islands, most penguin chicks have hatched.

*“Nothing prepares you for the vast, open sky; the mirror calm waters; the monolithic ice; and the deafening silence of the poles. It is as close to visiting another planet as you can get!”*

**Dr Terence Christian - Historian, Archaeologist, Discovery Leader**

### *Summer*

#### **January – Early February**

During peak season on the Antarctic Peninsula, rookeries are full of chicks, parents dodge leopard seals and skuas scan for the unattended. Crabeater and Weddell seals lounge on ice floes, females often nursing newborn pups. Ice retreats to allow easier access to the Antarctic Circle and the Weddell Sea and opens up new vistas to enjoy from our two custom built helicopters<sup>^</sup>. As summer winds down, adolescent chicks fledge and are curious, often approaching visitors before running the leopard seal gauntlet on their first swims.

On South Georgia, penguin chicks almost as big as their parents need constant feeding and are old enough to play with juvenile seals. Days continue to be long and temperatures rise above 5°C, the warmest of the year. On board Scenic Neptune<sup>^</sup>, explore waters never dived before by submarine. Enjoy a seal ballet, schooling pelagic fish and maybe even whales. In the Falkland Islands, Magellanic penguin chicks emerge from burrows, and King penguin chicks hatch.

### *Fall*

#### **Late February – Early March**

As autumn approaches, cormorant chicks bravely begin to fly and whales, now well fed, group up before beginning their great migration north to breeding grounds. Brilliant sunsets herald nightfall, patches of sea freeze as you watch, courting leopard seals captivate with eerie song and the last gentoo penguins are chased out into the Southern Ocean by winter's ever-increasing ice barrier. South Georgia is alive with millions of fur seal pups cavorting in swim schools, king penguins packing beaches while the newly-discovered Type D orcas and elusive sperm whales pass nearby.

<sup>^</sup>Submarine, helicopter and helicopter experiences at additional cost, subject to regulatory approval, availability, weight restrictions, medical approval and weather and ice conditions. Helicopters are unable to operate in South Georgia. \*Guests will need to have advanced skills to participate.

## The Antarctic Peninsula

*Between South America's Cape Horn and the Antarctic Peninsula is Drake Passage, the shortest sailing distance and perhaps the world's most-fickle waterway. Like its namesake (Francis Drake was a pirate to the Spanish, a hero to the English) it can be 'Drake Shake' one day, 'Drake Lake' the next. However, Scenic Eclipse's custom-built, oversized zero speed stabilisers are 50 per cent larger than most other ships, bringing greater stability regardless of sea state, and its Comfort Class 1 standard promises the lowest ship noise and vibration. The result? A smooth journey and less time to reach the Frozen Continent.*

Enjoy an enlightening presentation by the Discovery Team in the state-of-the-art theatre to excite you for what's to come or relax in your suite and watch the live streaming on your TV. Step out onto your private verandah or terrace to admire soaring albatross, the flutter of Wilson's storm petrels or blow of whales. Explore the extensive range of up to 10 dining experiences, or your butler will serve you should you wish to dine in-suite.

How different it must have been for Irish ship's master Edward Bransfield in 1820, when he became the first to see the Antarctic Peninsula. Today we follow in his wake, first to the wildlife-rich South Shetland Islands, home to 16 scientific research stations (mostly on King George Island) and mysterious live volcanic islands, then across the strait that bears Bransfield's name, to the Peninsula.

On the east side is the Weddell Sea, a wonderland of fossil fields on ice-free islands, and a series of vast tabular icebergs. We'll search for big colonies, think 16,000 breeding pairs of Adélie penguins and curious fur seals. It's here in 1915 that Shackleton and his men made an epic escape, after the sinking of his ship *Endurance* – one of several incredible survival stories you'll hear beautifully told by our Discovery Team historian.

More than 1,500 km in length, the Antarctic Peninsula's west side offers a maze of protected channels to explore by Zodiac or our fully inclusive kayak and stand-up paddleboard program. This is photographer's delight with soaring, steep-faced mountains topped by a glistening ice cap.

Whether it's watching a fluffy chick take its first steps, penguins diving through glassy seas, leopard seals languidly resting on ice floes, packs of crabeater seals swimming along a sapphire ice edge, or orcas rising to match the pace of your Zodiac, your Discovery Team naturalist will be there to enhance your experience by sharing their knowledge of Antarctica. We strive to give you a deeper understanding of the 'must see' sights, along with the flexibility to explore at your own pace.

With just 200 guests on our Scenic Expedition Voyages, every day on the Antarctic Peninsula offers multiple excursions, each one unique. Land on your seventh continent in the morning, visit a historic hut in the afternoon, soothe your mind, body & soul at the yoga & Pilates Studio to rejuvenate before dinner. Truly where luxury meets discovery.

The world-class design and crew of Scenic Eclipse, The World's First Discovery Yachts™ puts the Antarctic environment first with a GPS Dynamic Positioning system that allows us to maintain our location without dropping anchor onto sensitive seabeds. The latest emissions technology, IMO low sulphur fuel and Advanced Wastewater Treatment Systems allows for minimum impact exploration.

Scenic Eclipse's two state-of-the-art helicopters<sup>^</sup> and custom-built submarine, Scenic Neptune<sup>^</sup> allow you to explore above, below and beyond the next horizon. Remember, wherever you touch down, or simply float quietly, take time to allow Antarctica's silence to infuse your heart.

## Discover The Weddell Sea

*Enter the Weddell Sea, a frozen world of magic and wonder, where vast tabular icebergs take your breath away, krill-rich waters support emperor penguins and Adélie penguin colonies a hundred thousand strong. Where world-renowned fossil fields mark Antarctica's last connection with other continents and the greatest stories of Polar survival have been born. With good reason.*

Nearly half the Weddell Sea is covered by the massive, floating, Filchner-Ronne Ice Shelf, the second largest in Antarctica, and smaller ice shelves along the east coast of the Antarctic Peninsula. These ice shelves calve huge, flat-topped icebergs some 30 metres above sea level, 120 metres below and many kilometres long. Powered by deep currents, they slice through fields of frozen sea ice, like icebreakers of the gods.

It takes a unique ship to explore these waters and Scenic Eclipse, The World's First Discovery Yachts™, is in a class of its own. The first to be designed and built to Polar Class 6 standards, its strengthened hull, forward bow thrusters, 50 per cent larger stabilisers and electronic Azipod propulsion system enable safe navigation. Our Polar Discovery Team specialists share their

insights into the environment and history of the region. Their expertise allows us to land in places few others have been before.

Most have heard the Shackleton story, of how his ship *Endurance* was trapped and crushed in Weddell Sea pack ice and how he and his men escaped to Elephant Island in lifeboats. Learn how Shackleton and five others sailed from there, to South Georgia, on an epic rescue mission.

Who knows the story of Otto Nordenskjöld's, Swedish Antarctic Expedition, who was here more than a decade earlier? Your Discovery Team historian will share the gripping tale of how Nordenskjöld lost his support ship Antarctica to pack ice and how this started a series of events combining the hardship, coincidence, sheer good luck and leadership that brought all but one of his men back alive.

 C Weddell Seal

Whether by Zodiac or helicopter<sup>^</sup>, we aim to visit Nordenskjold's Hut on Snow Hill Island and look for emperor penguins recently departed from the northernmost colony nearby. On adjacent Seymour Island, known as the Rosetta Stone of Antarctic palaeontology, scientists have discovered fossils of giant penguins, marsupials and evidence of the mass extinction event that wiped out the dinosaurs.

We'll search for ephemeral waterfalls on Vega Island, perhaps visit an abandoned British field camp in Duse Bay, and explore volcanic Paulet Island, home to 100,000 breeding pairs of Adélie's and the remains of Larsen's Hut, built in 1903 by the survivors of Antarctica.

Explore above, below and beyond the horizon. Our two helicopters<sup>^</sup> provide new perspectives on tabular icebergs, the Antarctic Peninsula's icecap and access to remote fossil fields. Our custom-built submarine, Scenic Neptune<sup>^</sup>, enables you to explore the depths of the Weddell Sea where no one else has been. Who knows, there may still be relics of Nordenskjold's and Shackleton's lost ships somewhere on the sea floor.

Back on board Scenic Eclipse, visit our expansive 550m<sup>2</sup> Senses Spa for the pure indulgence of rejuvenating treatments, soak in our Vitality Spa or outdoor Vitality pools, or stretch tightening muscles in our gym. Join your Discovery Leader for an illustrated recap of the day and learn what is planned for the next.

After dinner, what better way to finish the day than with a nightcap in one of our nine bars and lounges, admiring evening light playing across the Weddell Sea Ice Factory outside.

## South Georgia & the Falkland Islands

*Between South America and the Antarctic Peninsula lies an enchanting island chain, fragments of a land bridge that once connected the two continents called the Scotia Arc. Swept by krill-rich waters from the Weddell Sea, the islands boast a greater range of wildlife than the Galapagos and in numbers that show the abundance of the region.*

Imagine king penguin colonies 150,000 strong, or 870,000 breeding pairs of rockhopper penguins. Add fur and elephant seals, sea lions, white sand beaches, soaring glaciated peaks and a thrilling history of whaling, Polar explorers, pioneers and war, all this on just two of best-known of all Scotia Arc islands – the Falklands and South Georgia.

Simply put, if you're planning a trip to Antarctica, add these destinations for the trip of a lifetime.

From Ushuaia, indulge in the ultra-luxury experiences of Scenic Eclipse for just over a day to reach the Falkland Islands. Windswept and scarcely populated, this remote archipelago is a birder's delight. Enjoy close encounters with magnificent black-browed albatross or 'mollymawks', sitting on their mud and straw nests. Delight in penguins, from ground burrowing Magellanics to flamboyant-feathered macaroni and rockhoppers, from gentle gentoos to regal kings. Five species of geese, teals and the antics of the flightless steamer duck will also captivate.

From cliff-top vantages, spy bull sea lions aggressively defending their harems, moving quickly on their flippers like lumbering bears. Watch fur and elephant seals gambolling on beaches, dolphins and orcas patrolling offshore.

Spend a day exploring the very-British capital, Stanley. Choose one of our Scenic Freechoice activities – a walking tour of the town or a Battlefield Tour detailing the Falklands War. If feeling more active, join a Scenic Discovery excursion, walk a wildlife trail and to the Magellanic penguin colony at Gypsy Cove.

Whether we approach South Georgia from north or south your first view is unforgettable. It might be waters off Bird Island roiling with penguins, fur and elephant seals; or the south coast's ice-encrusted Salvesen Range soaring 2,330 glorious metres above. Over the next days, your Discovery team will guide you to the best bays, beaches and mountainsides of this 170 km long island, showing you why this is the world's most important penguin and seabird breeding area.

Our Discovery Team leader plans to land as often as possible, to take extended hikes or sit quietly enjoying busy beach activities. Zodiac cruise beneath cliffs where light-mantled sooty albatross nest, walk up a boardwalk for close encounters with majestic wandering albatross and chicks. Photograph South Georgia pipits, just one of several species recovering after a successful pest eradication program.

Since 1775, when Captain Cook became the first to land on South Georgia, the island has been a base camp for sealers, whalers and Antarctic explorers. Norwegians established the island's first whaling station in Grytviken in 1904, with six others to follow. Of all the explorers, best known is Ernest Shackleton, who with five of his men, sailed a lifeboat 800 nautical miles across the Southern Ocean, then hiked across the island's unmapped interior to raise a rescue for the men he left behind on Elephant Island. Join your Discovery Team historian in the Grytviken cemetery to raise a toast at the graves of Shackleton and his right-hand man, Frank Wild, and tour the open-air whaling station, museum and gift shop.

Enjoy an all-inclusive kayaking and stand-up paddleboarding excursion, with your Discovery Team guide for an excursion off the island's largest king penguin rookeries, as birds zoom underneath and all around your craft. Become one of the first people ever to explore the deep waters surrounding South Georgia in the custom-built submarine, Scenic Neptune<sup>^</sup>.

And relax in truly all-inclusive 6-star luxury as you continue along the Scotia Arc through waters that are home to all the great whale species, including blue, fin and sei whales. Depending on ice, weather and sea conditions, we may stop by the South Orkney and Elephant islands, as we follow the Scotia Arc to Antarctica.

From Castro, a village on remote Chiloé Isla, with its World Heritage-listed wooden churches and nearby colony of both Magellenic and Humbolt penguins. See the wilderness of Tierra del Fuego and the chance to round Cape Horn on what is truly a Discovery Voyage.*

Enjoy the ultra-luxury of Scenic Eclipse as it sails through an enchanted world of fjords and archipelagos carved by the Patagonian Ice Sheet, draped in temperate rainforest and home to fantastic wildlife, from migrating blue, grey and humpback whales, playful dolphins and beaches abundant with fur and elephant seals.

Whether you like a relaxed pace or plan to fit in as much as possible, our Discovery Team, through Scenic Freechoice, offers a diverse, truly all-inclusive, range of activities to choose from. In Valparaíso, take an art walk through its labyrinth of cobbled streets, travel to Casablanca Valley to taste some of Chile's finest wines, or visit Viña del Mar, renowned

The mostly flat wooden boardwalk of the El Tepual Trail introduces us to beautiful Coihües, Mañíos and Cipreses trees.

Whether viewing with in-suite binoculars from your private verandah, using a Swarovski telescope in the Observation Lounge or out on a Zodiac with your Discovery naturalist, watch for red-legged cormorants, kelp geese and Fuegian steamer ducks. Marvel at impossibly cute marine otters and their pups.

Along the south coast of Tierra del Fuego, explore fjords leading into Cordillera Darwin, the spectacular tail of the Andes whose glaciers are the ice factory for 'berg bits' that fill the channels below. And at Cape Horn, where the Pacific and Atlantic Oceans meet, observe the true skill of our Captain, crew and Discovery Team as they guide us ashore (weather permitting) to climb steps up to the lighthouse and albatross sculpture.

Depending on your Discovery Voyage, Scenic Eclipse will either make its way up the Beagle Channel to the bustling town of Ushuaia, or continue up the Atlantic Coast to Punta Arenas, a seaport on Magellan Strait. With Scenic Freechoice, join a local guide on a walking tour, delve into the region's history at Fort Bulnes, examine a full-size replica of Magellan's galleon at the Museo Nao Victoria or visit an estancia to learn of life on the land. The choice is up to you.

# Antarctica, South Georgia & Falkland Islands

Salisbury Plain, South Georgia

## Extraordinary landscapes

*Little islands with big tales to tell. The South Georgia Islands are teeming with wildlife and exploration history, while the intriguing Falkland Islands are unique, as is the great white wonder of Antarctica.*

In South Georgia, photograph the impressive jagged mountain vistas and walk through some of the world's largest king penguin colonies. Summer comes to Antarctica and South Georgia like a revelation. Penguins nest, and voraciously hungry chicks grow quickly as their parents work hard feeding them. The waters are teeming with whales feasting on krill, orcas hunt in packs and elephant seal beachmasters are busy guarding their harem. In the Falkland Islands, we explore the historic town of Stanley and the wildlife endemic to the region.

Day 9-11

### South Georgia

South Georgia is undoubtedly one of the most beautiful places in the world. The island is a speck in the vast South Atlantic Ocean, one of the most remote parts of our planet. A 3,000-metre mountain range forms the spine of the long, narrow

island. Between the mountains, shattered glaciers carve their way through tussock grass to the deeply indented coastline. Despite being such a small outpost in the vastness of the South Atlantic, the sea around South Georgia is one of the liveliest areas on Earth. The abundant marine life supports millions of seals, whales, penguins and seabirds. Ernest Shackleton and five of his crew sailed from Elephant Island in the James Caird for 16 days and 1,300 kilometres and finally found safety in the tiny entrance of Cave Cove. This epic story of survival began with the sinking of Shackleton's ship, the Endurance, in the Weddell Sea, six months earlier. As you explore South Georgia, you will have the opportunity to reflect on Shackleton's epic journey. **Discovery:** Equipped with a fleet of custom built Zodiacs and kayaks, your discovery excursions will take you to the places of your wildest dreams.

*Meals: B.L.D*

Day 12-13

### At Sea

Enjoy two days at sea exploring the many 6-star luxury amenities on board your Discovery Yacht, from the on board theatre and Senses Spa, to wonderful dining experiences. Spot icebergs and marine life from the comfort of your private verandah.

# Discover The Galápagos Islands

*There are few untouched paradises left on Earth, and the astonishing Galápagos Islands is undoubtedly one of them. Alone in the Pacific Ocean, this volcanic archipelago has benefited from its isolated location over centuries of evolution, with some of the most unique and special species calling it home.*

This incredible and rare ecosystem played an inestimable role in the development of Charles Darwin's ground-breaking study 'Origin of the Species' and subsequent theory of evolution in 1859. With many of the same species that inspired him still surviving on the Galápagos Islands, you'll have the chance to witness 'survival of the fittest' in the flesh. See incredible species such as Blue footed boobies, Fur seals, Lava lizards, flamingos, rays, albatross and the endangered Galápagos giant tortoise.

## Marine Iguana

Almost 20% of the marine life in the islands is endemic to the area. This includes the Marine iguana, the only lizard in the world who enjoys water so much they've learned to swim in it! They look fierce, but are actually gentle herbivores, surviving exclusively on algae and seaweed. They are protected throughout the archipelago and are considered vulnerable to extinction.

## Discover The Amazon

*A kaleidoscope of colours, diversity, extraordinary environmental and cultural significance and a true wonder of the world. Discovering the Amazon is a joy from start to finish.*

Explore remote Amazonian tributaries via skiffs and kayaks, spot monkeys and other rare creatures, and let our expert naturalist guides introduce you to the wonders of the jungle. It is also the ancestral home of one million Indians and during your time with Scenic you'll have the opportunity to visit some of these villages. The sheer number and diversity of flora and fauna to be found in the world's largest tropical rainforest is quite simply astounding. From the rarest of orchids to the playful Pink Amazon dolphin, it is one of the greatest thrills on Earth to witness all these extraordinary creatures and plants in their natural habitat.

### Bookings

1. If you or any member of your party has any medical condition, pregnancy, or disability which may affect your tour or has any special requirements as a result of any medical condition, pregnancy, or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. Given the potentially extreme conditions and remote locations we may visit you must also complete a mandatory full medical questionnaire (to be provided 90 days prior to departure) to enable us to assess the risks involved. This questionnaire must be signed by your medical practitioner between 90 and 60 days prior to the tour departure date and must be returned to us not later than 60 days prior to the tour departure date. Any medical certificate issued earlier than 90 days before the tour departure date will not be accepted and a revised one will be required. Any guest who has not completed and returned their medical certificate will not be cleared for embarkation and their booking will be deemed to have been cancelled by them in which case the cancellation charges will apply detailed below. Some activities either on board the ship or onshore at all ports may be unsuitable for those with reduced mobility. You must also notify us of any changes or deterioration in

the disability or medical condition or development of any disability, pregnancy, or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. It is important to note in relation to the Scenic Eclipse that:

- (i) for safety reasons, passengers in wheelchairs cannot be carried on boarding ramps (which may be steep due to water levels) whilst the vessel is tied up or at anchor, or on to motor coaches, tenders, Discovery experiences including but not limited to Zodiacs, kayaks and submarine; and
- (ii) collapsible walkers may be taken onto tender vessels for transfer to shore for the included touring. Walkers are however unable to be taken on the zodiacs at any time due to space restrictions. The walkers will be stored in the guest's suite – there is no additional storage space on board.
- (iii) guests must be able to walk up/down stairs in the event of an emergency to reach emergency evacuation points.
- (iv) motorised scooters cannot be used on board
- (v) wheelchairs and walkers can be carried in the luggage compartment of motorcoaches subject to space limitations.
- (vi) embarking and disembarking the tenders, Zodiacs, kayaks and submarine are via a mud room/change room with steps leading to a marina platform and requires the ability to step into and out of these vessels unaided.
- (vii) elevators may not access all decks and cabins and bathrooms may have significant thresholds and cabin doors which limit access.

2. The operation of all tours is conditional on us securing the minimum number of bookings. Where sufficient numbers cannot be achieved, we may cancel or change a scheduled tour. Please also see clauses 13 to 16. We will notify you no less than 30 days prior to the departure date of the tour if we have to cancel or significantly change a tour due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

### Payment

4. To make a booking, you are required to pay a 10% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) with a second 15% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) due 12 months prior to departure.

### Early bird fares have limited availability

5. The balance of the tour price must be received by us no less than 120 days prior to the start of your tour. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

6. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

### Credit Card Payments

7. There is no charge for credit or debit card payment.

### Your contract

8. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the first named person on the booking ("lead name") or your travel agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

9. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA Alternative Dispute Resolution Scheme ("ADR") (if the scheme is available for the claim in question and you wish to use it – see the clause 37) or by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

### What are your on-tour obligations?

10. (a) You must follow the Captain, Discovery Team Leader, and Tour Director's instructions at all times. You acknowledge that failure to do so may result in your withdrawal from the tour. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the tour of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the tour, you must make your own return travel arrangements at your own expense.

### Tour price

11. The tour price is based on the cruise cabin category as indicated on each tour page. Upgrades to other cabin types may be available at additional cost. Please note that individual cabin number requests are a request only and cannot be guaranteed.

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices and information at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

12. Once your tour price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your tour price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your tour price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 8% of your tour price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another tour from us – see clause 14. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another tour where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the tour price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the tour price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

### Variation or cancellation by us

13. We start planning the tours we offer many months in advance.

Occasionally, we have to make changes to and correct errors in the details of advertised tours both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due

to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foresee when this may occur. Unfortunately, this is an inherent risk in sailing which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to do so, for example in the interests of the health and safety of passengers.

14. Most changes made to a confirmed tour are minor. Examples of what we both agree to be minor changes are changes of vessels to one of the same class for the whole or part of your tour, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed tour and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your tour. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 42 to 44 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

15. If we have to make a significant change to or cancel a confirmed tour, we will in addition to the options set out in clause 14 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 14 can be accepted where (a) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (b) we have to cancel because the minimum number of bookings necessary for us to operate your tour has not been reached – see clause 2. No compensation will be payable and the options set out in clause 14 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

16. Very rarely, we may be forced by Force Majeure (see clause 28) to change or terminate your tour after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

#### Amendment or cancellation by you

17. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

18. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of tour dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the tour price where, for example, the basis on which the price of the original tour was calculated has changed.

19. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day

or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

#### Cancellation Fees

Period before your tour commences within which written notification of cancellation is received by us

Cancellation period	Fee per person
120 days and over	Loss of Deposits
119 to 91 days	50% of tour price
90 days or less	100% of tour price

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

#### Our liability

20. We will ensure that the tour arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted tour arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted tour arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

21. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your tour and which were unforeseeable/unavoidable or
- Force Majeure as defined at clause 28 below.

22. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our tour brochure as part of your tour and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your tour. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

23. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the tour arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable tour participant to refuse to take the tour in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 20. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

24. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,000 per person affected unless a different limitation applies to your claim under this clause or clause 25 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 25

below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your tour.

25. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

26. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (b) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses including self-employed loss of earnings.

#### Suppliers

27. Many of the services which make up your tour are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 25). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

#### Force Majeure

28. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. "Force Majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) war, terrorism, exceptionally high or low water levels, sea ice, lock closures, fire, flooding, unusual weather conditions, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, riots or civil disturbances, acts of government, government agencies or other authorities, inability to obtain any necessary licence or consent through no fault of ours and any other event or circumstances beyond the control of us or any supplier of any part of your tour. Risk and travel insurance

29. You acknowledge and accept that there are inherent risks associated with our tours for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, submersible, helicopter, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations such as the Antarctica, South Georgia and the Arctic & Fjords.

30. You must take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative, and emergency repatriation (from remote ocean locations) in the event of accident or illness.

31. Please read your policy details carefully and take them with you on your tour. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

#### Itinerary changes and travel advice

32. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

33. The Foreign and Commonwealth Office may have issued information about your tour destination. You are advised to check this information on the internet at [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice).

#### Smoking

34. Smoking is limited to designated smoking areas on Scenic Eclipse (and any other vessels), and is not permitted in suites or on verandahs and terraces.

(a) You acknowledge that we may restrict smoking to specific times and locations during Your Cruise for the comfort of all passengers. (b) Smoking is not permitted on

coaches/transfer vehicles, discovery vessels, or such other places as nominated by us from time to time.

#### Baggage allowance

35. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11in (62 inches) and weight 23kg (50 lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversized items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

#### Young travellers

36. Travellers who are less than 18 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 18 or over. Children under the age of 12 years are not encouraged and are accepted or rejected at our sole discretion.

#### Complaints, Alternative Dispute Resolution, and Damage

37. If a problem occurs during your tour, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your tour. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made either by telephone or in writing to us giving full details within 30 days of the end of the tour. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result.

Only the lead name should write to us. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's ADR (Alternative Dispute Resolution) Scheme. The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website ([www.abta.com](http://www.abta.com)). The arbitration scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/omissions of the supplier.

38. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

#### Flights

42. In accordance with the UK's Retained EU Legislation on EU Directive (EC) No 2111/2005, we are required to bring to your attention the existence of a list which contains details of air carriers that are subject to an operating ban within the UK. The Community list is available for inspection at <https://info.caa.co.uk/uk-regulations/>. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/the carrier are unable to offer you a suitable alternative the provisions of clauses 14 to 16 will apply. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

If you suffer a delay to your outbound travel arrangements, we will do our best to assist you make the start of your tour or, if this cannot be achieved, join it as soon as possible any costs we incur in making any alternative arrangements in this situation will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in clause 21 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

44. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If the airline does not comply with these rules, you may complain to the CAA on 020 7453 6888 or by e-mail to [passengercomplaints@caa.co.uk](mailto:passengercomplaints@caa.co.uk) or see [www.caa.co.uk](http://www.caa.co.uk) – Referring Your Complaint to the CAA.

#### Passports and visas

46. British (citizen) passport holders are recommended to have a valid passport with at least 6 months validity from return date. If your passport has less than 6 months validity

from the return date, then a waiver form must be signed. It is your responsibility to ensure any visas required for countries to be visited on the tour have been obtained prior to the tour departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

47. A full British passport presently takes approximately 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up-to-date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

48. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre <http://travelhealthpro.org.uk/>. Information on health abroad is also available on [www.nhs.uk/Livewell/Travelhealth](http://www.nhs.uk/Livewell/Travelhealth). At the time of publication of this brochure, we are not aware of any compulsory health requirements applicable to British citizens taking any of the holidays featured in this brochure. For holidays in the EU/EEA you should either be in possession of a valid EHIC (European Health Insurance Card) or apply for the UK Global Health Insurance Card (GHIC) prior to departure from <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>. An EHIC or GHIC is not a substitute for travel insurance. Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information.

49. It is the lead name's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs or expenses being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

#### Financial security

50. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight, or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. Please note: Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme \*The air inclusive holidays and flights we arrange are ATOL protected providing they are made available in the UK. For further information, visit the ATOL website at [www.atol.org.uk](http://www.atol.org.uk).
