The Mekong: Seasonality Guide

The Mekong is more than a water-highway; it's a unique pathway made by nature.

A Mekong river cruise on Scenic Spirit offers a luxurious floating window into another world that is exciting year-round. Each season presents its own advantages. The tropical climate of Cambodia and south Vietnam means temperatures are warm year-round, which makes river cruising on Scenic Spirit even more appealing if you wish to have a nice cool spot to unwind in after a day onshore.

November to April

This is a popular time for river cruising on the Mekong. The weather is milder, humidity lower and temperatures cooler (however, still generally above 30 degrees Celsius). Water levels are generally lower but this is only a concern around Tonlé Sap in Cambodia meaning stilt villages may not have deep water around them.

Scenic offers 7-nights from November to April.

May to October

These are the wetter and warmer months when the countryside transforms into a lush green wonderland (hence it is commonly known as the 'green season'). The landscape is at its most vibrant and fresh from the intermittent monsoons with green fields of rice. Water levels are higher and there are generally fewer travellers at this time. Rainfall is generally marked by short, intense afternoon showers that last less than an hour. In between these showers, the sun comes out allowing for normal touring opportunities. Once back on board, the blissfully cool Scenic Spirit is your sanctuary to relax and rest your tired feet.

Scenic offers 7 and 9-night river cruises on the Mekong from May to October.

No matter which season you choose to cruise the Mekong in, Scenic Spirit will be your 5-star floating oasis from which to base yourself.

As your 5-star boutique floating hotel cruises along the Mekong, you will gain a true insight into the history, culture and wildlife of the ancient lands that have built a life around this vital river.

Constant State of Flux

As with any other element of Mother Nature, rivers and waterways have personalities of their own and are subject to variations in water levels throughout the year.

Our 5-star Scenic Spirit and its itineraries are purpose-built with these potential variations in mind. Every effort is made to adhere to the planned itinerary, however change in water levels and river conditions may necessitate journey modifications. These changes will be made based on the advice of local authorities or for safety reasons.

Our local Scenic offices monitor water levels closely to handle all navigation issues in a timely and efficient manner and minimise disruptions. Our expertly trained Captain and on board team, along with our meticulously handcrafted itineraries will ensure your cruise is as memorable and smooth-sailing as possible.

OUR COMMITMENT TO YOUR HEALTH AND SAFETY

The Scenic global management team is working closely with Cruise Lines International Association (CLIA) and government health agencies to implement a full range of measures for the health and safety of our valued guests and crew. In preparation for the resumption of our river cruise operations, we will ensure compliance with the strict industry protocols and for further information on these policies, please visit scenic.co.uk/assurance.

Truly all-inclusive... and exclusive
Scenic Enrich

It's more than special events. It's enriching experiences exclusive to Scenic. Elevate your cultural discoveries to the realms of ancient kingdoms, sacred practices, fable and folklore. Reserved for Scenic guests, these sensory encounters take you to the heart of South East Asia.

Under the glow of candlelight and an illuminated temple, Scenic guests are transported to ancient times. The mystical themed Gala Dinner at Prasat Kravan, a small 10th century temple in the city of Angkor, the former capital of the Khmer empire in the early 12th century, includes a three-course meal of traditional Khmer cuisine with free-flowing drinks and a magical performance with Apsara dancers.

The temples of Angkor can be explored in a number of ways, but this exclusive, once-in-a-lifetime event for just 68 Scenic guests, is a memory you'll likely treasure forever.

“Truly spectacular night at Kravan Temple in Siem Reap... only for guests of Scenic. Memory of a lifetime.”

Scenic guests will receive a blessing from a monk at a Buddhist pagoda in Cambodia as part of a special Scenic Enrich experience. The small and calming ceremony aims to protect you. There's also an alms ceremony included, which contributes to the daily meal of the resident monks.

Support an NGO at sunrise

Watching the sun rise over magnificent Angkor Wat is a once-in-a-lifetime experience most travellers to Cambodia enjoy. Scenic takes this one step further however, as guests marvel at this wonder before heading to an exclusive location for a champagne breakfast with baked delights prepared by students at a local NGO supported bakery school.

VIP Seats at Phare

This is more than just a circus. Phare performers tell uniquely Cambodian stories through theatrics, music, dance and modern circus arts. A performance with a positive social impact, Phare was founded to help vulnerable young people build careers in the arts and engage in education. It also supports a growing arts scene in Cambodia. So, take your Premium Reserved seat and revel in the joy that is Phare.

Ho Chi Minh City & the Mekong Delta

From the bustling city of Ho Chi Minh City, to quaint riverside villages in the Mekong Delta, Vietnam's compelling history is on display everywhere.

Ho Chi Minh City has long been recognised as one of Asia's most dynamic cities, blending French influence with traditional Asian philosophy and modern style. Take to the streets on a Vespa foodie tour of Ho Chi Minh City and explore the lively nightlife and delicious street food as a local would. Learn about the intricate and vast network of the Cu Chi Tunnels hidden below the ground and the clever ways the Viet Cong soldiers kept them hidden, before reflecting on Vietnam's harsh past during a visit to the nearby War Memorial and Reunification Palace.

The Mekong Delta is known as the 'Rice Bowl' of Vietnam, being the country's major source of rice and fish production, and as you meander through the winding Mekong and Tonlé Rivers, you will have the chance to view this Vietnamese way of life up close. Wander through the flourishing rice and fruit farms and discover the villages and cities before returning to the comfort and 5-star luxury of your boutique Scenic Spirit cruise.

“The itinerary was varied and very well organised with many Scenic Freechoices. Attention to details, especially locating 5 star comfort stops, was very much appreciated. From the amazing ancient Cambodian temples to the industrious use of the Mekong River in Vietnam, there was always a surprise around each corner.”

Discover Hanoi, Hue & Hoi An

The Far North and Centre of Vietnam.

Hanoi, Sapa and Ninh Binh Hoi An and Hue

Known for its French colonial buildings, laid-back pace, shop-lined streets, and compact bars and restaurants, the 1010 year old Hanoi is a worthy capital city of Vietnam. From watching the endearing water puppet show, to whizzing through its busy night food markets on a Vespa, each day you spend here will be a day to cherish for a lifetime.

If you feel you want to explore beyond the capital city's historical treasures and quirky charm, you'll be pleased to know, Hanoi is also a jumping off point to Halong Bay as well as the French hill station of Sapa and Ninh Binh and Hoa Lu, known as the 'dry Halong'. The perfect options for extending your stay pre-tour in this vivacious South East Asian land.

For a quiet and relaxing break in Vietnam, you will love exploring the old cities of Hue and Hoi An and their many World Heritage Sites, located in the centre of Vietnam.

Hue, Vietnam's former capital, is known for its Perfume River, ancient palace and the mausoleums of the imperial dynasties that once ruled. In Hoi An, the blend of Japanese, Chinese and Vietnamese old world architecture will ensure that you capture your best travel photos in this old town. Shop in Hoi An's famous tailors and specialty art shops, relax along its charming river banks, and take a night-time stroll through its cute streets, lit with old-fashioned lanterns and strewn with pink bougainvillea flowers to truly experience this town that was forgotten by time.

“From the craziness and energy of Hanoi, the beauty of Halong Bay on the AUCCO, the shopping sprees in Hoi An or Saigon, the magic of Scenic Spirit and its staff and finally the beauty of Angkor and the gala farewell. The people of Vietnam and Cambodia are so loving after having been through so much, their energy and vitality is so inspiring. We cannot not say anything else except Wow! Wow! Wow!”

David H, Scenic Guest,
2019 Feefo Review

Important: The following terms and conditions together with the general information contained in our journey brochure form the basis of your contract with Scenic Tours (UK) Ltd, 4 Piccadilly Place, Manchester, UK, M1 3BN company number 05770868. Please read them carefully as they set out our respective rights and obligations and in particular note that:

- If for any reason you cancel your holiday, cancellation charges will apply and may be up to 100% of the booking cost. We may also cancel your booking;
- You may make amendments to your booking but there will be a charge for this and we can change your booking where it is necessary for us to do so;
- You should take out travel insurance that is appropriate to your needs;
- We provide financial security as required by The Package Travel and Linked Travel Arrangements Regulations 2018 for package holidays through our membership with ABTA (membership number: Y6328) and for flight inclusive holidays our ATOL membership (number 9294);
- Some of the flights and flight-inclusive holidays on this website are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services listed on this website. This website will provide you with information on the protection that applies in the case of each holiday and travel service offered before you make your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. Please see our booking conditions for information, or for more information about financial protection and the ATOL Certificate go to: www.caa.co.uk

- We are responsible for your package holiday subject to the terms of these Booking Conditions and will pay you compensation when appropriate.
- In order for us to process your booking and provide the journey to you, you will need to provide us, and we will need to use your personal information. We will also need to provide your personal information to service providers. By making a booking you give us your consent to use and disclose your personal information in the manner described.

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions and agree to them. Except where otherwise stated, these booking conditions only apply to journey arrangements (including pre and post journey accommodation, activities and other services) which you book with us and pay for before departure and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "cruise", "journey" or "arrangements" mean such journey arrangements unless otherwise stated. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Scenic Tours Europe Limited.

We are a Member of ABTA. When you book with an ABTA Member you can expect high service standards, fair terms of trading and accurate information. ABTA's strict joining criteria for Members, code of conduct, customer helpline and approved Alternative Dispute Resolution (ADR) scheme to resolve complaints are all there to give you confidence and peace of mind when booking your travel arrangements. For more information see www.abta.com.

Bookings

1. If you or any member of your party has any medical condition, pregnancy, or disability which may affect your journey or has any special requirements as a result of any medical condition, pregnancy, or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. Some activities either on board the ship or onshore at all ports may be unsuitable for those with reduced mobility. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability, pregnancy, or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. It is important to note in relation to some of our vessels that:

- (i) for safety reasons, passengers in wheelchairs cannot be carried on boarding ramps (which may be steep due to water levels) whilst the vessel is tied up or at anchor, or on to motor coaches
- (ii) guests must be able to walk up/down stairs in the event of an emergency to reach emergency evacuation points.

- (iii) motorised scooters cannot be used on board
 - (iv) wheelchairs and walkers can be carried in the luggage compartment of motorcoaches subject to space limitations.
 - (v) elevators may not access all decks and cabins and bathrooms may have significant thresholds and cabin doors which limit access.
2. The operation of all journeys is conditional on us securing the minimum number of bookings. Where sufficient numbers cannot be achieved, we may cancel or change a scheduled journey. Please also see clauses 15 to 19. We will notify you no less than 20 days (7 days for journeys lasting less than 7 days in duration) days prior to the departure date of the journey if we have to cancel or significantly change a journey due to lack of numbers.
3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

4. To make a booking, you are required to pay the applicable deposit of a minimum of £1250 per person or full payment if booking 120 days or less before the start of the holiday. If you make a provisional booking the deposit or full payment, must be received by us at the time of booking to ensure a place on the journey is held. We will automatically assume that you do not wish to proceed with a booking if the applicable deposit or full payment, is not received by us and we will have no further liability to you. Any accommodation, sightseeing, activities, flights or flight upgrades we book for you which are separate to those stated in the itinerary are not included in the deposit or journey price. An extra payment may be required to cover the costs of these additional services, and these services will not be booked until both your holiday deposit and additional service costs are paid in full. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you take out adequate transfer insurance prior to booking.

5. The balance of the journey price must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

6. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Credit Card Payments

7. There is no charge for credit or debit card payment.

Your contract

8. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the first named person on the booking ("lead name") or your travel agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

9. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal

injury) must be dealt with under the ABTA's scheme for the resolution of disputes ("ADR") (if the scheme is available for the claim in question and you wish to use it – see the clause 40) or by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

Your Journey obligations

10. (a) You must follow the Cruise Director or Tour Director's instructions at all times. You acknowledge that failure to do so may result in your withdrawal from the journey. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the journey of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the journey, you must make your own return travel arrangements at your own expense.

Journey price

11. The journey price is based on the cruise cabin category as indicated on each journey page. Upgrades to other cabin types may be available at additional cost. Please note that individual cabin number requests are a request only and cannot be guaranteed.

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices and information at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

12. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge.

If any surcharge is greater than 8% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us – see clause 16. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the journey price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure, or 7 days for journeys lasting less than 7 days in duration days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

Journey features

13. We make no representations about the features of any journey other than those expressly set out in this brochure and these terms and conditions.

Brochure validity

14. The journey brochure and these terms and conditions are valid for the departure dates as stated in the journey brochure unless extra dates are added or otherwise expressly advised by us.

Variation or cancellation by us

15. We start planning the journeys we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foresee when this may occur. Unfortunately this is an inherent risk in sailing

which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to so, for example in the interests of the health and safety of passengers.

16. Most changes made to a confirmed journey are insignificant. Examples of what we both agree to be insignificant changes are changes of vessels to one of the same class for the whole or part of your journey, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change before the start of your chosen arrangements (including an increase of the price of your arrangements above 8%) then you will be entitled to accept the changes or cancel without paying a cancellation fee and receive a full refund within 14 days. We will inform you without unnecessary delay in writing of any such rights along with:

- (a) the proposed changes and, where appropriate, their impact on the price of your chosen arrangements;
- (b) how long you have to inform us of your choice in writing to either accept the changes or cancel without paying a cancellation fee;
- (c) the consequences of your failure to respond within the period referred to in paragraph (b); and
- (d) any substitute package, of an equivalent or higher quality, if possible, offered to you and its price.

If you chose to take a substitute package or accept amendments to your arrangements which result in a lower overall quality or cost, you are entitled to an appropriate price reduction. If you do not inform us within the time we specify of your choice to accept the changes or terminate the contract we will write to you again to remind you, if you still do not respond we may treat your booking as cancelled and refund all payments due to you. Please note, the above options are not available where any change made is an insignificant one. A change of flight time of less than 12 hours, airline (except as specified in clauses 45 to 47 "Flights"), type of aircraft (if advised) or destination airport will all be treated as insignificant changes.

17. In the event of industrial action affecting air, rail, cruise or other journey related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any). However, if contact is not made, you should phone 0808 231 3933.

18. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 16 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 16 can be accepted where (a) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (b) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached – see clause 2. No compensation will be payable and the options set out in clause 16 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is an insignificant one.

19. Very rarely, we may be forced by Force Majeure (see clause 31) to change or terminate your journey after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

20. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 7 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

21. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves

and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed.

22. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation Fees

Period before your journey commences within which written notification of cancellation is received by us

Cancellation period

Fee per person

120 days and over

Loss of Deposits

119 to 91 days

50% of journey price

90 days or less

100% of journey price

NB. Transferring to another date is treated as a cancellation and the cancellation fees above will apply.

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Our liability

23. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility and pay you appropriate compensation if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

24. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable/unavoidable or
- unavoidable or extraordinary circumstances or force majeure as defined at clause 31 below.

25. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our journey brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

26. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have

applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 23. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

27. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,000 per person affected unless a different limitation applies to your claim under this clause or clause 28 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is three times the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 28 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey.

28.
