

IMPORTANT TRAVEL INFORMATION FOR YOU

ESTA – Visa Waiver Programme – USA Travel

The Electronic System for Travel Authorisation (ESTA) allows for foreign nationals from certain countries to travel to the United States for business or pleasure, for stays of 90 days or less without obtaining a visa. The Visa Waiver programme application may be submitted any time prior to travel, but no later than 72 hours prior to travel (one application per person travelling). This application is valid for 2 years, costs \$21 per visitor (approx €19) and is payable by credit card only. You can access the ESTA website from our homepage www.touramerica.ie (quick links on top of page, then click on ESTA online form) or by going to this address: <https://esta.cbp.dhs.gov>.

To ensure you are eligible to apply for admission under the Visa Waiver Programme, please log on to the website link above to check. Passengers who have not received approval may be denied boarding; experience delayed processing or be denied admission as a US port of entry.

**** All information entered into your ESTA application must match the passport you are using for travel to the USA****

Canada Electronic Travel Authorisation (ETA) Programme

Please note if you are flying to or transiting through Canada you will need to complete the ETA. Please log onto www.cic.gc.ca/english/visit/eta-start.asp

This is part of an admittance procedure already in use by several countries, designed to assist travellers in processing their required documents and determine their eligibility for travel to international destinations. The cost of the ETA online will be approximately \$7.

Passport Information

All names and spellings provided to us, must be as stated on your passport. Passports must be valid for a minimum of 6 months after your return date. All Irish Passport holders visiting America, including children and infants, require an individual machine readable passport to avail of the US Visa Waiver Programme. Non-Irish Passport holders should check with their Embassy or the US Embassy for specific requirements. Please note that security regulations may require us to provide US Immigration with a complete address of where you will be staying while in the US. Failure to do this can result in denied admission into the US port of entry.
